Technical Education, M. Eynace.

Sunday Closing Of All Stores To Be Discussed

At the instance of the new Board of Police Commissioners, members of the city police force were yesterday afternoon busy taking the names of all the proprietors of stores open for business upon the Sabbath. The long array of names, addresses and classifications of business transacted will be presented to the Commissioners on Thursday evening, when they will be analyzed, and be the basis upon which Sunday closing policy during the coming twelve months will be based.

300 NOVA SCOTIA MINERS ON STRIKE

Sydney, N. S., Jan. 16.—Because they claim nine drivers were unjustly dismissed, 300 miners have gone out on a sympathetic strike at the Dominion No. 1, Colliery of the Dominion Coal Company.

RAILWAYS REPORT AN IMPROVEMENT

October Figures Show Gain,
States Report

Decrease of \$6,627,751 in
the Payroll

Ottawa, Jan. 16.—(Canadian Press)—An outstanding improvement in the operation of Canadian railways was registered in October, 1921, when despite decreased freight and passenger business, transportation expenses were cut \$4,896,904, or 21 per cent from the previous month, according to information issued to-day by the Federal Bureau of Statistics. The cut in wages in July, it was shown, was the main factor in this reduction. The total payroll showed a decrease of \$6,627,751. While revenue freight traffic increased thirty per cent over the previous month, freight revenues were ten per cent less than for the same month in 1920. The passenger traffic was about seventeen per cent less than last year, and due to lower fares the passenger revenues showed a decrease of twenty-six per cent. The Canadian Northern, Canadian Government and Grand Trunk Pacific all showed marked improvements in their operating ratios, and for the first time in two years instead of expending from one to two dollars in operating expenses alone in order to earn one dollar, these roads expended 90.6, 92.7 and 94.4 cents respectively for each dollar earned.

The Canadian Pacific Railway showed the lowest operation ratio, namely, 69.56 per cent, as against 59.46 per cent in October, 1920.

BURNED IN SHACK

Prince Rupert, Jan. 16.—Omar Souliere, a native of Quebec, an employee of the Canadian Fish & Cold Storage here, was burned to death to-day in his shack at Seal Cove. The origin of the fire, which destroyed the building is unknown.

NO LONGER MAGISTRATE.

Ottawa, Jan. 16.—The commission of Lucien Dubuc as a stipendiary magistrate in and for the Northwest Territories is revoked from December 21, according to the Canada Gazette.

New Government in South Ireland Takes The Reins of Power

Dublin, Jan. 16.—The governmental powers in Southern Ireland, as vested in the British authorities at Dublin Castle, were turned over to-day to the Provisional Government of the Irish Free State as constituted last Saturday under the Anglo-Irish treaty. The transfer was made by Viscount Fitzalan, the Lord-Lieutenant, in the Privy Council chamber.

The Viceroy this morning awaited a telephone message announcing that the new Ministers had arrived at the Castle, but not until 1.28 o'clock this afternoon did the cheers of the crowd outside announce the arrival of Michael Collins, Professor John MacNeill, P. J. Hogan, James McGrath, Kevin O'Higgins and William Cosgrave. Immediately afterward Viscount Fitzalan, with two aides, arrived and they all proceeded to the Privy Council chamber, where the transfer of the powers was effected.

From an early hour this morning all approaches to the Castle were blocked by good-humored crowds watching for what was described as the "fall of Dublin Castle."

Visitors.

The lower Castle yard was an animated scene of visitors, journalists and photographers. The Metropolitan police dealt in a friendly manner with all comers and auxiliaries in uniform watched the proceedings from their old quarters.

Workers were engaged to-day in dismantling the wire screens erected for the protection of the castle from attack. Ashes of burning documents were sprinkled over the spectators outside.

In the upper castle yard, outside the Vice-regal apartments, a detachment of the Cornwal Regiment, on rifle drill. This was expected to be the final appearance of a British regiment and the troops were duly cinematographed as they marched off.

Boycott to End.

London, Jan. 16.—It is reported in Dublin that the Sinn Fein boycott on British goods, will be revoked very soon.

Several of the London morning newspapers allude appreciatively to the brief proceedings in the Southern Ireland Parliament Saturday, which they regard as dignified and business-like. They also commend Arthur Griffith's handling of the railway situation.

Message to Cork.

Belfast, Jan. 16.—Father Dominic who was released from the prison on the Isle of Wight Saturday, has sent the following telegram to the Lord Mayor of Cork:

"Though the victory for which Lord Mayor MacSwiney and his comrades died has not yet been attained, still I congratulate my native City for its heroic struggle."

(Father Dominic was the spiritual adviser of Lord Mayor MacSwiney of Cork, who died on a hunger strike in prison in 1920.)

A message also was sent to Arthur Griffith by Father Dominic asking immediate intervention for the release of Irishmen and women arrested in Great Britain, including Corporal McCowan and companions of the Cornwal Regiment, placed in jail in England for alleged mutiny in India.

BROKERS FAIL.

New York, Jan. 16.—An involuntary petition in bankruptcy was filed in Federal Court to-day against E. D. Dier & Company, stockbrokers.

OPINION WIDELY VERSE ON ISSUE

Northern Part of North Cow-
ichan Opposes Plan

Against Consolidated School
System in Vogue

Duncan, Jan. 16.—The northern part of North Cowichan municipality voted so strongly against the continuation of the policy of the consolidated school at Duncan on Saturday that the aggregate majority was ten against the continuation of the present plan.

The figures were:

	For.	Against.
Chemains	1	35
Crofton	0	14
Westholme	5	43
Duncan	98	27
Somenos	17	23
Maple Bay	8	4
Total	129	139

This vote will not change the present arrangement between the Duncan city board and the North Cowichan district municipality, as the arrangement was validated by the Government by Order-in-Council. It will probably result in an effort being made to separate Chemains, Crofton and Westholme from the area consolidated, and in its place take in part of the districts south of the Cowichan River, in unorganized territory.

RUNAWAY PLANE STRUCK CROWD AND KILLED WOMAN

Red Bank, N.J., Jan. 16.—A Redway triplane crashed into a crowd of several hundred skaters on the Shrewsbury River yesterday, killed Mrs. Anna C. Hounihan, severed the right arm of her brother, Lawrence Conley, of Middleton and slightly injured many others.

AUSTRALIA STRONG NOW FINANCIALLY

Great Reserve

Wheat Is Sent to Starving
Europeans

Sydney, Australia, Jan. 16.—With only approximately \$250,000,000 in notes backed by one of the biggest reserves in the world, Australia to-day occupies one of the strongest financial positions in the world, according to Sir Henry T. Braddon, former Commissioner of Australia in the United States.

Addressing a group of students, Sir Henry pointed out that the world at present is interdependent and that if one nation is not prosperous the world suffers. He added that it was therefore to Australia's interest for Germany and Russia to recover.

Wheat to Europe.

Melbourne, Jan. 16.—Aid to the extent of \$250,000 in Australian supplies, principally wheat, to be shipped from Australian stores already in Great Britain is to be extended to the starving people of Europe by the Commonwealth Government.

BRITISH ELECTION STATEMENT SOON

Lloyd George May Make An-
nouncement Saturday

Informally Discussed Situation
With Colleagues

London, Jan. 16.—The British political situation, especially the question as to when the Government will call a general election, again has been brought into prominence through the return from France of Premier Lloyd George and the removal from the foreground of the Irish situation. There is a fairly general opinion among the political writers in this morning's newspapers that the election which recently was fore-shadowed for February will not take place then, and probably will not take place before May at the earliest. It is said that Mr. Lloyd George discussed the matter informally with some of his colleagues last night when he became convinced that an early election was undesirable.

Opposed by Unionists.

Among the reasons supposed to have brought about this decision are the strong opposition of the Unionists to such a step and the collapse of the Cames conference, from which Mr. Lloyd George brings nothing to offer the electors for complete establishment of the new Government of the Irish Free State, in which case The Times suggests that an election immediately would follow. Other reports ignore this, assuming that Parliament will not assemble until the time already arranged, January 30, when it will take up the Irish legislation, which is contended must be out of the way before an election could be held.

Meetings.

The current week will be one of great political activity, both the Unionists and Liberals having important meetings scheduled. Mr. Lloyd George is to speak before the Coalition Liberal convention on Saturday, when it is supposed, if nothing previously transpires regarding the date of the election, he will make a definite announcement in this connection.

In Summer.

London, Jan. 16.—(Canadian Press Cable)—The Daily Chronicle, the chief Coalition newspaper, says that while Premier Lloyd George has arrived at no decision regarding a general election, in opinion in Ministerial circles is that the prospect has now receded and it is not believed that an election will be held until the summer or even later.

The extreme apathy of the farmers is a feature of the by-election contest in Tanworth. Polling will take place to-morrow, but the farmers are so engrossed over the question of wages to be paid their laborers that they are little concerned over the results. Both sides to a wage dispute declare they will not vote, and as the miners are angry over the present economic situation, it is probable that they will, to a large extent, abstain from voting.

\$5,000,000 IS PORTUGAL'S WAR PAYMENT DEMAND

Lisbon, Jan. 16.—The sum of 10,000,000 livres will be demanded by the Portuguese Government as war indemnity. The amount in industrial material will be accepted.

A livre, normally, is valued at about 19 1/2 cents.

MINISTERS BY ACCLAMATION

Majority of King's Colleagues
Are Unopposed

Official Nominations Thurs-
day of This Week

Montreal, Jan. 16.—With nominations Thursday for the by-election of those members of Premier King's Cabinet who are seeking re-election after accepting portfolios, no signs of serious opposition had developed to-day. It is generally accepted here that most, if not all, the ministers running in Quebec will be elected by acclamation. The Ministers are: Sir Lomer Gouin, Minister of Justice, Laurier-Outremont; Hon. Jacques Bureau, Minister of Customs, Three Rivers; Hon. E. Lapointe, Minister of Marine, Quebec East; Hon. J. A. Robb, Minister of Commerce, Chateaugay and Hon. H. S. Beland, Minister of Soldiers' Re-establishment, Beauce.

In Constituencies.

Ottawa, Jan. 16.—(Canadian Press)—The past week-end witnessed the usual exit from the capital of Cabinet Ministers, who are sufficiently near to their ridings to pay them a flying visit over Saturday and Sunday. With nominations for the ministerial by-elections in fourteen constituencies next Thursday, members of the Cabinet are naturally anxious to keep in touch with the political situation at home. A number of them will probably file nomination papers before returning to Ottawa. Indications are that there will be a number of acclamations, especially in Quebec, but on the other hand some of the Ontario Ministers will meet with opposition.

There is some speculation as to where Hon. Charles Stewart will find a seat. If he is to be in the House of Commons at the opening of the next session, he must be accommodated soon. The Progressives in his own province of Alberta show no anxiety to facilitate matters for him.

A Pause.

It seems likely that there will be a tendency on the part of the Government to defer important decisions on matters of state until after the by-elections. Ministers will find it necessary to spend some time in their constituencies, and attendance at Cabinet meetings may be irregular.

Duncan Ross, defeated Liberal candidate in West Middlesex, Ontario, and a stalwart supporter of the Government, has been paying his respects to the Premier, and this has given rise to a rumor that he is slated for appointment to the vacant position in Elgin County.

The name of Hon. D. D. MacKenzie, Solicitor-General, has been mentioned for the Nova Scotia bench, and Hon. A. K. MacLachlan has been suggested as a possible appointee to the Exchequer Court. At present there is no vacancy in the Exchequer Court.

The Lieutenant-Governorship of Nova Scotia is still vacant, and apparently no action has been taken with a view to filling the vacancy.

NO EXPLANATION OF SUSSEX MURDER

V. Gibson, Brother of Baron
Ashbourne, Killed

London, Jan. 16.—The body of an Irishman found in a hotel at Horsham in Sussex on Saturday was identified to-day as that of Hon. Victor Gibson, son of the late Lord Ashbourne and brother of the present Baron Ashbourne. He was an American girl, Caroline de Billier, daughter of Frederick de Billier, of New York, whom he married in 1909.

On arriving at the hotel Saturday, Gibson asked to be allowed to remain in the smoking room, where his body later was found. He had previously stated at the hotel that he was an Irishman and a rebel and that he had lived with his father, a former Lord Chancellor of Ireland, at the Vice-Regal lodge in Dublin, fourteen years ago.

Some broken glass was discovered in the fireplace and a small quantity of liquid had been spilled on the hearthstone.

MOVEMENT FOR NON-PAYMENT OF TAXES IN INDIA

London, Jan. 16.—A dispatch to The London Times from Calcutta dated last Thursday says civil disobedience, in the form of non-payment of taxes, already has commenced in some parts of Bengal, where it has been the cause of rioting.

Due to the permanent settlement of the country, the dispatch says, disobedience of this type is more difficult to cope with in Bengal than other parts of India, where rigorous legislation provides an effective safeguard.

"Rangpur sections have been depressed for some time owing to the failure of the crops and trade depressions, and consequently the people are ready listeners to the Non-Co-operationists, who are promising ultimate freedom from the payment of all taxation. A movement to start an anti-civil disobedience association is receiving support from all parts of India," says the dispatch.

MEDICAL SCHOOL INQUIRY URGED

Investigation at University of
Toronto

Eminent Men Not Invited to
Lecture

Toronto, Jan. 16.—Complaints regarding the manner in which the faculty of medicine of the University of Toronto is conducted have been crystallized into a demand for an independent investigation of a number of matters which seem of sufficient importance to members of the medical profession to warrant such action.

Interviews given by Dr. Walter McKeown, a member of the faculty, who is not satisfied with the existing system; Dr. George W. Ross, a former member; Dr. F. W. Marlow and others draw attention to the autocratic way in which the faculty is conducted in regard to dismissals and appointments and criticize the system of full-time professors which, it is contended, favors too much of the German plan. It is stated that the application of this system has meant the exclusion of many eminent men who are in a position to give valuable service to the university.

CHURCH UNITY IN EMPIRE URGED

London, Jan. 16.—(Canadian Press Cable)—At the unveiling of memorial tablets to members of St. Columba Church who fell in the war, including two sons of Andrew Bonar Law, Field-Marshal Earl Haig pleaded for unity of the churches of the Empire. He asked whether an imperial church was impossible.

He said he prayed that the love of country and love of God, whereby British had conquered in the war, might continue to work together and that the clergy of all denominations in England would realize that in the maintenance of the bonds of empire they had a common task and were members of one imperial church.

VANCOUVER BODY NOT IDENTIFIED

Man Who Died Suddenly Had
Four Thousand Dollars

Vancouver, Jan. 16.—With \$90 in cash and a bank book containing entries of deposits totalling nearly \$4,000, the unidentified body of a man was found in a passage at the cabins situated at 255 Prior Street on Sunday. No marks of violence were found on the body, and in the opinion of the authorities, the man had succumbed to heart failure.

He is described as about forty years old, weight 170 pounds, clean shaven, fair hair and complexion, and wearing a dark suit, black felt hat, brown boots and a khaki shirt.

Auto Accident.

Vancouver, Jan. 16.—Harvey Little, 443 18th Avenue, New Westminster, is in a hospital here suffering from a fracture of the skull and severe cuts, but with a fighting chance for recovery, while J. Rahey, 714 Colbourne Street, New Westminster, is on remand for a week on a charge of driving to the common danger, as the result of an accident which occurred at 15th Avenue and Kingsway during a thick fog Sunday morning.

From the report received by the police, an auto driven by Rahey, and in which Little was a passenger, crashed into a telephone pole, the last named man being thrown heavily to the pavement.

SALARY CUT PLAN STARTS BIG STORM

City Department Head Threat-
ens Resignations

Cut Will Not Apply to City
Council

Out of the storm of controversy and consternation which broke at the City Hall Saturday as a result of The Times announcement of the Lincham scheme for reducing civil salaries these facts became clear to-day:

Some Results.

- (1) The proposed salary reductions will not apply to the salaries of Mayor and aldermen.
- (2) If the salary reductions are made along the lines of the Lincham scheme at least one city department head, and probably others, who have been in the employ of the city and who are considered experts in their work, will resign.
- (3) Alderman Lincham, sponsor of the salary cut scheme, will give the City Council to-day facts and figures to prove that his proposal is feasible, will reduce city expenditures materially and will not affect City Hall efficiency.
- (4) Alderman Lincham, in addition, will propose sweeping reductions in city school expenses aggregating \$100,000, and will urge the Council to forward a letter to the School Board showing exactly where these reductions will be made.
- (5) There is no intention on the part of the supporters of the Lincham scheme to make drastic changes in the personnel of the City Hall staff as reported in a Victoria newspaper.
- (6) The salaries of city department heads, who are slated for a twenty per cent reduction under the Lincham scheme, are in most cases exactly what they were in 1914, and in three instances are much lower than before the war.
- (7) No reductions will be made in the smaller city salaries and a vigorous fight will precede any reductions.

Fight To Open.

The salary fight will open to-night when Alderman Lincham introduces a motion, as published in Saturday's Times, asking the Council to go into committee to consider salary reductions.

Alderman Lincham spent the week-end compiling figures in support of his plans and these he will lay before his colleagues this evening. The attitude of the Council is not known yet, but it is clear that several members will oppose with all the influence in their power, the reductions contemplated. Alderman Robert Dewar is regarded as the probable leader of the opposition to the Lincham scheme. There is little doubt, however, that the Council will follow out the scheme to the extent of going into committee later to consider all City Hall salaries.

Asked to-day if the proposed salary reductions would apply to the salaries of Mayor and aldermen, Alderman Lincham said: "I personally do not want any salary but I had no choice about the making of these reductions applicable to the Mayor's and aldermen's salaries."

"I do not think that it will be possible to make many drastic cuts but it will be possible to bring them here and there," Mayor Marchant stated when asked about his attitude toward the Lincham plans.

Low Level.

City officials declare that the records of the Council's expenditures during the last eight years will show that the salaries of City employees, generally speaking, have been higher than in 1914, while in the case of department heads they are the same as before the war or much lower. It explained that salaries were cut in 1915 from five to fifteen per cent and were not raised again until 1918, while the salaries of department heads were never brought above the 1914 standard and in three cases were heavily reduced.

Hamilton

Application For Extradition to
North Carolina

Ottawa, Jan. 16.—(Canadian Press)—The board of hearing in the case of Matthew Bullock, a Hamilton negro, who is slated to be wanted for extradition to North Carolina, was formed and is working on the case at Hamilton. It was stated to-day by officials of the Department of Immigration, it may be three or four days before the finding of that board is reached.

An earlier dispatch said: Officials of the Immigration Department in Ottawa stated that complaints had been received that Matthew Bullock, a Hamilton negro, was an undesirable immigrant. His deportation had been ordered by the examining officer, but from that order Bullock had the right of appeal.

Church's Appeal.

T. L. Church, M.P.-elect for North Toronto, and former Mayor of Toronto, wired Premier King urging that Bullock be wanted in North Carolina on a charge of inciting to riot, be not sent out of the country under any clause of the Immigration Act before he is given a trial under the extradition proceedings now under way.

In his telegram, Mr. Church demanded that the negro be given a fair trial. "I submit," said the telegram, "that Bullock has proved his right to remain in the country under any clause of the Immigration Act before he is given a trial under the extradition proceedings now under way."

FRASER VALLEY ELECTION RESULTS

Reeves and Councillors Chosen by the People

New Westminster, Jan. 16.—Following are the results of the voting Saturday in the various municipalities of the Fraser Valley:

In Surrey, Reeve McKenzie was re-elected by acclamation. His 1922 Council, which will meet to-morrow in Cloverdale for the first time, will include H. Hornby, J. B. Murphy, T. Reid and G. A. Boothby.

In the School Board election Saturday, Mrs. Kirk, Mr. Boothby and William H. Hale defeated A. A. McBride, A. H. Williams and S. Williams.

T. Reid was elected Police Commissioner by acclamation.

Reeve Poppy, of Otter, was re-elected Reeve of Langley Saturday for tenth term. He defeated Jas. C. Graham and D. Harris. Successful Council candidates were J. Mufford, William Lawrence, J. R. Brydon and H. G. Selby-Hale for Wards One, Two, Four and Five respectively. R. M. Taylor in Ward Three was elected by acclamation.

School affairs this year will be handled by C. E. Hope, J. Harris and William Lawrence, who defeated George H. Fuller, Phillip Porter, Arthur Goldsmith and H. G. Selby-Hale.

Matsqui. Reeve A. McCallum, of Abbotsford, who defeated M. Z. Melander, of Peardonville, by thirty-one votes for the Matsqui leadership, will have for his Councillors this year Alfred Gledhill, Peter R. Keay, W. J. Ware and C. D. Bell. The three School Trustees successful at the polls were William Merrifield, of Mount Lehman, T. H. Lancaster, of Matsqui, and Patrick Conroy, of Gifford. T. L. Downs of Abbotsford was elected Police Commissioner.

Another Reeve placed back in office for 1922 by the unanimous vote of the citizens was Reeve John A. Williamson of Ladner, who was elected first citizen of Delta by acclamation. L. W. Embree, J. L. Gulchou, C. Kees, J. A. Savage and R. G. Farmer were elected to Delta Council. Three trustees for the 1922 Delta School Board were elected by acclamation, Smith Wright, of Boundary Bay; George W. London, of Westham Island and H. A. Mitchell of Crescent Island.

Ward System Abolished.

Mission, B.C., Jan. 16.—Voters in the Corporation of the District of Mission on Saturday decided to abolish the ward system.

Endorsement of the by-law covering the proposed agreement with the Western Canada Power Company (or B.C.E.R. Company), was given by an even more definite vote. The agreement will provide for street lighting and fixed taxation of the Company's property in the Municipality for a term of years.

John Day was elected Councillor for Ward One, defeating John Waterfall, and H. W. Wrenn was returned for Ward Two, where he was opposed by David Gibbard. Both successful candidates were retiring councillors.

R. E. Knight was elected for another term as Reeve by acclamation, and Rae Angus and Foman Thompson were returned for Wards Three and Four respectively by acclamation.

Four candidates contested two seats on the Board of School Trustees: E. Hickling, J. E. Cade, J. A. Bates and A. S. Taulbut. The two first-named were elected.

INDIA'S TARIFF IS DISCUSSED

National Chamber of Commerce Makes Suggestions

London, Jan. 16.—(Canadian Press Cable)—Testing, before the fiscal commission at Bengal, says a Reuter dispatch, the National Chamber of Commerce and the Marwari Association advocated a tariff for revenue and protective purposes and an export duty as a restriction on the exportation of foodstuffs and raw materials necessary for the industries of India.

They suggested that a beginning should be made by imposing protective and import duties on selected articles, mainly textile goods, sugar, finished leather, iron and steel. They opposed an imperial preference and the exportation of coal and complained of undue preferential treatment extended by buyers and sellers of Great Britain and the Dominions to European firms in India.

**ALBERTA MURDERER
KILLED HIMSELF**

Verdant Valley Farmer Killed By Son-in-Law

Calgary, Jan. 16.—Charles Andes, fifty years old, a well-known farmer of the Verdant Valley district, was shot and instantly killed by his son-in-law, George McLeod, while attempting to protect his daughter, who was threatened with death by McLeod when he heard the Andes home at an early hour on Saturday morning. McLeod later committed suicide, his body being found in a dugout near the farm house by Provincial Police Officers from Drumheller, who hastened to the scene soon as they had been advised of the murder. McLeod shot himself through the head with a high velocity rifle, which he discharged by crooking the big toe of his left foot around the trigger and placing the muzzle of his mouth over the trigger.

The double tragedy was the climax of domestic troubles.

**DEATHS CAUSED BY
POISONED LIQUOR**

Montreal, Jan. 16.—Joseph Norman, twenty-eight, and Theo Carson, twenty-eight, died from what is believed to be the effects of drugged whiskey. They were found in a house at No. 68 Cadieux Street, five women inmates of the house, are being held by the police as material witnesses.

TO CONTROL LIQUOR EXPORT TRAFFIC

Bill Is Before Saskatchewan Legislature

Regina, Jan. 16.—Framed to give the Government of Saskatchewan greater jurisdiction and control over the activities of the liquor exporters who make Saskatchewan their headquarters, a bill introduced in the Legislature by Premier Martin will provide new opportunities for police forces to administer the temperance law. It will, to a large extent, tighten the statutes and bring about a more complete prohibition.

The bill is aimed mostly at the export traffic, and it is likely to provide the feature debate of the present session of the Assembly.

One of the high lights of the bill is that it will force liquor warehouses to be located only in cities of the province, whereas at the present time they thrive and prevail mostly in the small towns and villages of extreme southern Saskatchewan. They will be required to be so constructed and equipped as not to facilitate any contravention of the prohibition law, and not to be connected by any internal way of communication with any other building. Also, they shall be buildings where no other goods but liquor are kept for sale, and wherein no other business than keeping or selling liquor from the Province is carried on.

**ALBERTA MURDERER
KILLED HIMSELF**

Verdant Valley Farmer Killed By Son-in-Law

Calgary, Jan. 16.—Charles Andes, fifty years old, a well-known farmer of the Verdant Valley district, was shot and instantly killed by his son-in-law, George McLeod, while attempting to protect his daughter, who was threatened with death by McLeod when he heard the Andes home at an early hour on Saturday morning. McLeod later committed suicide, his body being found in a dugout near the farm house by Provincial Police Officers from Drumheller, who hastened to the scene soon as they had been advised of the murder. McLeod shot himself through the head with a high velocity rifle, which he discharged by crooking the big toe of his left foot around the trigger and placing the muzzle of his mouth over the trigger.

The double tragedy was the climax of domestic troubles.

**DEATHS CAUSED BY
POISONED LIQUOR**

Montreal, Jan. 16.—Joseph Norman, twenty-eight, and Theo Carson, twenty-eight, died from what is believed to be the effects of drugged whiskey. They were found in a house at No. 68 Cadieux Street, five women inmates of the house, are being held by the police as material witnesses.

ALBERTANS WISH TO SHIP CATTLE

Meat Trade With Britain to Be Discussed at Convention

Calgary, Jan. 16.—A scheme for the shipping of chilled meat from Alberta to Great Britain, will be discussed at the convention of the United Farmers of Alberta, which will be opened here to-morrow and continue till January 28.

A special committee was appointed at the convention last year, and a thorough inquiry into the subject was instituted during the past year. Outstanding in the investigation are the reports of William Spurrell and John Wilson, who were sent to the Old Country by the late Provincial Government to secure first hand information. An extremely encouraging report on the prospects for such trade was brought back by Mr. Spurrell, but Mr. Wilson in his survey declared the scheme to be quite impracticable.

Mr. Wilson gave a very practical presentation of the whole matter at a recent convention of the Western Canada Livestock Union, which was followed by the passing of a resolution declaring the chilled meat trade between Canada and Great Britain was unprofitable, and that every effort should be made for opening up avenues for securing access to the British market for live Canadian beef cattle.

Several members of the United Farmers of Alberta hold the same view, and state they are anxious to agree with the Hon. George Hoadley, Provincial Minister of Agriculture, that the province should not go into the chilled meat industry, but that the great hope lies in the export of well finished beef cattle.

**RAISE \$8,000 FOR
NEEDY IN OTTAWA**

Ottawa, Jan. 16.—The "Fair of All Good Neighbors," held at Government House on Saturday evening, under the patronage of the Governor-General and Lady Byng, has taken its place in the history of the Capital as one of the most outstandingly successful and picturesque events of its kind ever seen. The purpose of the fair was to raise the Capital's needy was well filled, more than \$8,000 having been secured.

**\$100,000 FIRE IN
YORKTON, SASK.**

Business Block Guttered; Worst Fine in Town's History

Yorkton, Sask., Jan. 16.—One hundred thousand dollars is a conservative estimate of the damage resulting from the most disastrous fire in the history of Yorkton, which Saturday night gutted the Gibson-Appleton Block, in the middle of the business district.

The confectionery store of Smith and McKay and of one of the Sweets are total losses. The offices of W. Wedderspoon, barrister, W. R. Worsey, barrister, Pilkington & Davis, chartered accountants, and G. Gibson, grain merchant, were destroyed with their contents. The contents of several residential suites in the block also were destroyed.

The fire broke out in Smith & McKay's store at 2 p.m. Saturday. The fire brigade apparently had it under control at 2 o'clock. The firemen confined the blaze to the ground floor. At 9.30 p.m. the fire broke out again and it was not until 2.30 o'clock Sunday morning that it was brought under control. By this time the interior of the building had been completely wrecked, nothing remaining but a charred skeleton of walls. For a time the surrounding buildings were threatened, but the fire brigade succeeded in confining the blaze to the building in which it originated. The firemen had a strenuous time in the wintry weather which prevailed but were aided by an unlimited supply of water with splendid pressure from Yorkton's 400,000 gallon reservoir constructed last year. The reservoir still remains half full.

**BABY'S LIFE WAS
SAVED BY GIRL**

Nova Scotia Mother Caused Her Own Death

Yarmouth, N. S., Jan. 16.—Saying she was going to burn her baby, twenty-four hours old, Mrs. James W. Hudson stuffed paper into the chimney of a light lamp and her daughter twelve years old snatched the infant away. In the struggle Mrs. Hudson's clothes caught fire and she was badly burned about the face and breast.

Killed Himself.

Montreal, Jan. 16.—Believing his suit had been rejected by a young woman, Miss Desnais Malouin, owing to the intervention of several persons, Lucien Pelletier, twenty-four, of St. David, Levis County, jumped to his death in front of the Joliette train on Saturday afternoon as it was entering L'Anse-au-Loup station, after shooting and seriously wounding Alderic Guilbault, a hotelkeeper at L'Anse-au-Loup. The latter is now lying in a critical condition at St. Eusebe Hospital in Joliette.

**REWARD FOR TAKING
OF MURDERERS**

Ottawa College Student Was Shot to Death

Montreal, Jan. 16.—A reward of \$10,000 was offered here last night by Rev. Adelard Delorme for information that would lead to the arrest and conviction of the person or persons who murdered his half-brother, Raoul Delorme, a twenty-year-old Ottawa student whose body was found with six bullet wounds in the head in a shack in the north end of this city on the morning of January 7 last.

CROWDS WELCOME PRINCE OF WALES

Streets of Madras Lavishly Decorated

Madras, Jan. 15.—Madras has recovered to-day (Sunday) from the rioting which attended the arrival here on Friday of the Prince of Wales. No further trouble is anticipated.

The Prince apparently has captured the popular fancy and crowds await his every appearance, greeting him with enthusiasm. The streets and buildings have been lavishly decorated and present a gorgeous spectacle in the brilliant sunshine.

The Prince spent to-day quietly attending the morning service in the Cathedral.

London, Jan. 16.—(Canadian Press Cable)—A Reuter cable from Madras, India, dated January 15, describing the scenes on the arrival of the Prince of Wales, somewhat discounts the highly colored reports of disturbances published in this country and America. The Reuter report says the Prince was welcomed by large crowds and that the streets along which he drove to Government House were lined by natives despite the usual proclamation of a halt, and that only slight disturbances in one quarter of the city were reported.

The report also says the Prince was welcomed with much enthusiasm by both men and women students of the University of Madras at the senate house.

HON. J. MURDOCK SPOKE IN CHATHAM

Hundreds of Ontarians Greeted Labor Minister

Chatham, Ont., Jan. 16.—Hon. James Murdock, Federal Minister of Labor, received an ovation from hundreds of persons of Kent here Saturday. In the afternoon at a meeting held in his behalf the Oddfellows' Auditorium was filled to capacity and hundreds of persons were unable to gain admittance. Mr. Murdock referred to the Board of Commerce and set forth his recent campaign arguments regarding that body. He declared that at the present time the Cabinet Ministers were learning the liabilities bequeathed to the country by the Meighen Government.

**EIGHT CHILDREN
MADE MOTHERLESS;
AUTOIST ARRESTED**

Toronto, Jan. 16.—Mrs. Winifred Crone, aged thirty-eight years, was fatally injured and her husband, Harold Crone, aged forty-five, was rendered unconscious when they were struck by a motor car as they stepped from the curb to cross a street here last night.

Both sustained fractures of the skull and Mrs. Crone expired a short time later in a hospital. Mr. Crone has a chance for recovery. Eight small children survive the mother.

The driver of the car was arrested.

**CANDIDATES ARE
NAMED IN BRITAIN**

People Are Preparing For General Election

London, Jan. 16.—(Canadian Press Cable)—Activity in the constituencies in anticipation of a general election continues.

Among the candidates named Saturday were General Spears, head of the British Military Mission to Paris, who replaces Major Guest as coalition Liberal candidate in the Loughborough division of Leicestershire; Mary Carney Owens, Coalitionist, who replaces Holman Gregory in the Southern division of Derbyshire; G. K. Murchison, Conservative and Mrs. Scott Gatty, Liberal, in Huntingdonshire; Harold Morris, who replaces G. Britton in East Bristol and Hon. C. P. Allen, Independent Liberal candidate in Gloucester.

**LIQUOR PROFIT
IN MANITOBA**

Winnipeg, Jan. 16.—The Manitoba Government made a profit of \$30,000 from sale of liquor through the Government liquor vendors' store in Portage la Prairie during 1921. This is the first year Government sale of liquor has been carried out in Manitoba. The profits were for a ten-month period.

At present the Government dispensaries supply liquor for sale only and it is sold in 12-ounce bottles only on production of a doctor's prescription by the purchaser.

"MEDICINE ROCK"

NOW IN MUSEUM

Saskatchewan Collection Enriched; A Secret of the Indians

Regina, Jan. 16.—The Provincial Historical Museum now contains a sample of "Medicine Rock," the location of which has been a secret carefully preserved for generations by a family of Indians near the Bear Mountain in Northeastern Saskatchewan. The famous rock was visited during the summer by the Saskatchewan Government exploration party. There are only a few Indians acquainted with the location of it and the party respected the hereditary rights of the family whose members have been the natural custodians of the life-giving "Medicine Rock."

The rock is looked upon by the Indians over a wide area as one of the great gifts of the "Kitchen Manitou" and they claim the great red medicine creates new and pure blood. An analysis of the material showed that "Medicine Rock" is possibly what its name implies, as it is in the form of iron which might be of value in anaemic conditions. The rock shows a narrow ribbon or seam of the blood-red material pressed in between heavy layers of stone. According to the Indians, the red substance was a vein of blood to nourish the rocks whose walls surround it. For generations it has been looked upon as one of the greatest remedies for loss of blood or any run down condition and the possession of the secret of this rock's location has been a very famous monopoly for the fortunate family of Indians who pass

along the secret from father to son as their most precious heirloom.

LITIGATION COSTS MORE.

London, Jan. 15.—(Canadian Press Cable)—A new scale of law charges in Great Britain has increased the cost of litigation fifty per cent.

**SHEEP EXPERIMENT
MADE IN ONTARIO**

7,000 Animals Being Wintered at Fort William

Fort William, Ont., Jan. 16.—It success rewards the experiment of R. C. Harvey, a rancher, in wintering 7,000 sheep here there is a possibility that 200,000 will be brought to the head of the lakes next Fall to be fattened for the eastern markets. The 7,000 animals here now are being fed on screenings from local elevators, and are reported as being healthy and sturdy.

From experiments being carried on at the Agricultural Park, it has been found that the sheep eat three pounds of screenings per day, making a total of ten and a half tons per day consumed by the flock. During the four months' herding here they will consume some 1,250 tons. A flock of 200,000 sheep upon the same basis of figuring would consume 35,000 tons in the four months.

KING'S DAUGHTERS HELD SERVICE

Founding of Order Commem- orated in Duncan

Duncan—The Scattered Circle, King's Daughters, held a commemorative service in St. John's Hall to mark the anniversary of the founding of the order thirty-six years ago. About forty ladies attended the meeting, which was opened with the singing of a hymn, and Scripture reading and prayer by the Rev. A. F. Munro, in the absence of the Rev. F. L. Stephenson, who was confined to his house with a severe cold.

Mr. Munro then gave an interesting address on the origin and meaning of the name "King's Daughters." He said this age was making a stupendous demand upon the courage, sympathy and compassion of all men and they must all feel grateful that this society was here.

Miss Leitch, district president, then spoke as to the founding of the order, which took place thirty-six years ago in New York, ten women being the founders. It was an undenominational, with no name at first, but after some time the name "King's Daughters" had been decided upon by a Mrs. Irving, a schoolmistress. The badge was a silver Maltese cross, and the motto of the order was:

"Look forward and not backward."
"Look up and not in."
"Lend a hand."

The watchword was, "In His Name."

A year later the organization was incorporated under the name of the International Order of the King's Daughters and Sons, and it grew so fast that two years afterwards the society numbered 70,000 members. At first there was no fee, and even now a fee was not a condition of membership, but the expenses grew and after a while each member was asked to pay 10 cents towards printing, advertising, etc.

The organization was now very old in British Columbia, the one in this district probably being the first in Canada. It was started in 1887, thirty-four years ago, by Mrs. F. Maitland-Douglass, who was already a King's Daughter when she came here, having joined in Georgia. It was named the "Scattered Circle," and its aim was to do real good and be of real use to the community.

In this province there had only been three district presidents: Mrs. Maitland-Douglass, who died many years ago; Mrs. Shaw, who moved away from British Columbia, and Miss Leitch, who still retained that office and who had been a member of the society for about twenty-seven years.

Miss Leitch said she thought perhaps women were inclined to have too little faith and quoted the verse, "What time I am afraid I will trust in Thee."

She said: "Try going to see some-

one who needs cheering up when you are low, spirited or depressed. The effort which we make to help someone else gives us a new sense of the resources which God stores up in our souls. If our Master can work through us on behalf of another, he surely can and will do something for us personally."

The service then closed with a hymn and prayer.
Tea was served and a short musical programme enjoyed. Mrs. Wade singing "O Night, O Life" and "My Task," and Miss Margaret Burchett "Two Eyes of Grey."

FARMERS' INSTITUTE SETS PROGRAMME

Events Planned by Metchoshin Organization

Metchoshin—At a directors' meeting held at the home of A. Wale, vice-president, of the Metchoshin Farmers' Institute, several very important matters were discussed, among them being the rural mail delivery of Happy Valley, Luxton and Albert Head. R. I. Van de Byl, secretary, and A. Hawkin were instructed to interview the postal authorities regarding a more satisfactory delivery.

It was brought to the notice of the directors that in spite of the publicity given to the work of the Institute, there still remained those who were ignorant of the wide scope of subjects the Institute covered, and the work accomplished should be sent out to residents who were non-members, feeling confident that such information would result in an increase of membership.

The matter of a fall fair was discussed and it was decided to bring the matter before the general and open meeting to be held in the Metchoshin Hall, January 17, with the suggestion that the proposed fair should be on special lines.

Road.

There is a great deal of complaints among the residents of Metchoshin Happy Valley, Luxton and Albert Head, regarding the main road. The Institute has therefore decided to call a public meeting at Colwood in the near future so that the residents may meet and discuss the matter and it is proposed to form a delegation at that meeting to interview the Provincial Minister of Public Works.

The newly elected directors, according to a statement made by the president, C. E. Whitney-Griffiths, are showing commendable spirit and a big programme of considerable interest has been arranged by them for February and March.

Conference in Victoria.

The member of the Advisory Board of Farmers' Institutes for this district has reported in connection with the Vancouver Island Conference of Farmers' Institutes to be held in Victoria, January 20, that all the locals of the United Farmers of B. C. from Vancouver Island have been invited to send representatives.

A great deal of interest is being taken in this annual gathering and reports show that full quotas of delegates have been appointed to attend. Considerable interest also is being taken in taxation, farm credits, and greater production. Strong criticism of the members of the Legislature

committee for failing properly to take care of resolutions sent to them last year has been voiced, and a strong stand is being taken regarding the freedom of the Institute.

With regard to new regulations governing Farmers' Institutes, strong objections are being raised as to their adoption and resolutions are being forwarded, making necessary recommendations for consideration at the conference January 20.

Duncan—At the annual meeting of the Duncan Girl Guide Committee, held in the Cowichan Women's Institute Room, there were about forty parents and friends present.

The treasurer's report, read by Mrs. McKillop, showed over \$70 in the committee's fund and \$380 in the building fund.

In the absence of Mrs. Hugh Savage the secretary's report was read by Mrs. Maitland-Douglass. It paid tribute to the memory of the late Mrs. Geoghegan, former head of the committee, and told those present that they could honor her memory in no more fitting way than by continuing her work for the Guides.

The Cowichan Chapter I. O. D. E. had kindly helped the Guides by giving an entertainment, at which \$160 had been raised towards the club room. The Rangers (senior guides) had given a bridge drive and raised \$30 for the same purpose, and a sale of work by the children had brought in \$175.

The need of a club room for the Guides was emphasized by the secretary.

The annual report of Miss N. Denny, Captain of No. 1 Company, Duncan, showed that the Guides and Scouts had been inspected by the Hon. the Rev. T. R. Hennessy, Scout Commissioner for British Columbia, on the occasion of a Church Parade on February 20 last, when the Scout's flag was dedicated.

On April 23, St. George's Day, there was a picnic at Menzies Falls, and according to Guide custom all standing at the salute, solemnly renewed their Guide promises. The Guides had gone into camp at Crofton for a fortnight in July. The residents of Crofton had assisted in giving the royal time. Mrs. Mathieson, matron of the Duncan Hospital, had kindly examined Guides for ambulance, child nurse, and sick nurse badges.

At Fair.

A special division for Scout and Guide classes had been included in the Agricultural Society's prize list at the Fall Fair.

Children's Day at the Fall fair the Guides and Brownies were inspected by Mrs. Godman, Island Commissioner. In the afternoon they gave an effective fire display in the fair grounds.

New Patrol.

A new patrol has been formed at Somers.

The sum of \$175 had been earned for the new club room. There were now 53 Guides, in the following patrols—"Forget-Me-Not," "Violet," "Ivy Leaf," "Bulrush," "Primrose," "Poppy," and "Nasturtium." Seven girls had passed the second class test and the following badges had been given after thorough examinations were passed: Ambulance, 3; needlewoman, 3; child nurse, 1; photographer, 1; dairymaid, 1; sick nurse, 1; entertainer, 2; toy maker, 1; embroider, 3; musician, 1; handy woman, 2; laundress, 11; knitter, 3, a total of forty-seven badges in all.

A court of honor had been established composed of the patrol leaders and second. They met once a month and settled all points of discipline. The patrol winning most points for attendance, neatness and behavior took precedence for the next month.

The Brownies numbered 43, and helped the Guides in all their work.

SATURDAY'S ELECTIONS.

Public opinion's fickle mood did not succeed in influencing the electorate of either of the three neighboring municipalities to any material extent. In neither case has the chief magistracy changed hands in spite of the lively issues at stake in at least two cases. In Saanich and Oak Bay interest developed at a rapid rate during the closing days of the campaign; but neither Reeve Watson nor Reeve Drake appears to have suffered in consequence. In both instances important matters of policy dominated the minds of the electors and it is singularly noteworthy that both incumbents were able to justify themselves and obtain substantial endorsement. Particularly insistent were the critics of Reeve Watson whose convincing victory is the more significant by reason of a seemingly well trained opposition. He and Reeve Drake are entitled to warm congratulation on their victory. Esquimalt provided nothing particularly novel either in the form of opposing policies or new aspirants. Reeve Lockley did battle with Mr. Jardine for the fourth time and for the fourth time succeeded in defeating him—testimony in itself of the fixed opinions of the electors in the Township. Their congratulatory will be generally shared in. In each case there would also appear to be assured an aldermanic body that will continue those progressive policies that have marked a degree of practical advancement of which each municipality may be proud.

THE NEW ALLIANCES.

If Great Britain's guarantee of military support to France is considered to be necessary to cure the Republic's attack of restlessness and suspicion of insecurity there would appear to be no very serious obstacle in the way of extending similar accommodation to Belgium on the ground that geographical convenience would automatically involve her as it did in 1914. Germany would never consider any attack upon France unless she could repeat as much of her former tactics as might be required by military science of the future, and the subjugation of Belgium in the first place would be the only alternative to making war on both countries at the same time.

The arrangement about to be entered into between Great Britain and King Albert's Government will complete a virtual alliance between the three countries that should act as a deterrent to Germany in the unlikely event of another bid for European conquest as a stepping stone to world dominion. And it can be said without fear of contradiction that if Germany had been persuaded that Great Britain would have resisted her attack upon France and Belgium in 1914 a number of events which led to the commencement of hostilities would have been interpreted by the German Foreign Office and Government with a great deal less significance. On the other hand it is fortunate that this form of international understanding has come to be regarded by the people of the world as a whole—have been entered into at a time when the original menace to European peace is no more. It is also fair to point out that the Anglo-French and Anglo-Belgian pacts are obviously defensive and quite distinct from the alliance which bound the Central Powers in the old days.

The people of Great Britain may feel disposed to endorse the course which the British Government has taken to give effect to French and Belgian desires—irrespective of the attitude which the British self-governing Dominions may adopt when the two pacts are officially placed

before their respective Parliaments. But it is safe to say at this stage that if the new French Premier imagines for one moment that he will find Mr. Lloyd George ready to fall over his feet in a hurry to give a similar guarantee to Poland he is foredoomed to disappointment. However much the British Prime Minister may believe that German aggression in Poland is a possible menace to the future peace of Europe he will be sufficient of a politician to remember what happened in Great Britain—particularly in the ranks of British Labor—when it was suggested that British troops and British arms should be sent to the new Republic for use against the "red" armies of Russia.

In the last analysis the Allied nations have a sufficient hold upon Germany to keep her in her place for many a day to come without erecting any more of the old causes of international strife. No nation outside of the United States could afford to wage another war, or even to prepare for one, and the Republic to the South would ditch the Jeffersonian theory to help to keep Europe in order so that she would not be compelled to suffer from the inevitable backwash that warlike conditions impose. When it is all said and done there remains the argument in favor of international co-operation such as the League of Nations as a working organization would bespeak.

SALARY PARING.

Penny wise and pound foolish is an adage of ancient vintage that loses none of its force or effect by reason of its antiquity. It should suggest an attitude of extreme caution to the City Council in conducting its examination of ways in which economy may be exercised. Reduction of salaries as a means of saving money requires merely ordinary imagination if immediate results are to be considered the most effective palliative for the city's financial ills. But every alderman must realize that the cost of administering the public business of the City of Victoria can be measured only by the value of services rendered. Incapacity is expensive at any price; but injustice to the faithful and efficient is a great deal more costly in the long run. Before it commits itself to a salary reducing programme the City Council should provide itself with more information than it appears to have digested to date. It might well take pains to inquire whether it would not be a good deal better to apply the ordinary principles of business to the collection of municipal taxes. Running a grocery account is limited to conditions. If those conditions are broken the merchant has his remedy and the debtor pays the penalty. Would it not be better for the city to use its obvious prerogative rather than to reduce salaries which in many cases are no higher, and some instances less, than they were before the war? We think so.

DR. WACE TO SPEAK.

It is singularly gratifying to observe that the people of Victoria are to be provided with an opportunity to learn something of what is being done and what it is hoped to do for the disabled and tuberculous ex-service men. Through the enterprise of the Women's Canadian Club of this city a public gathering of that organization has been arranged for to-morrow afternoon in order to enable Dr. Wace to deal with some of the problems which public philanthropy is endeavoring to solve. Under existing conditions many members of what may well be described as Canada's disabled legion are prevented from entering the competitive labor market and are compelled to rely upon the activities of the Red Cross for that measure of independence and support to which they have a right. Dr. Wace will give his audience some idea of what must be done in order that the handicaps, under which so many tuberculous and otherwise disabled ex-service men are obliged to labor, may be removed.

OLD DIPLOMACY?

It may not imply French support for the revival of ancient diplomacy; but there is a sinister suggestion in Premier Poincaré's declaration that "international

questions henceforth will be settled, as heretofore, through ambassadors." In other words M. Briand's successor regards the Allied Supreme Council as the wrong sort of an agency to be employed in the settlement of intricate problems of international importance. He declares that he would much prefer the old-fashioned dealings and the average individual will assume that French policy has no room for the atmosphere of mutual cooperation and trust in which the covenant of the League of Nations first saw the light of day. It is to be hoped that Mr. Lloyd George will give the warmest kind of support to the Genoa Conference in order that the pressing problems with which it will be called upon to deal may be placed before it in the proper spirit. In the meantime one wonders when France will have had enough of the "old-fashioned dealings."

NOTE AND COMMENT

Reeves of the three neighboring municipalities may well be pardoned if they consider themselves to be something in the nature of permanent fixtures.

It is now suggested that Germany surrender any identified persons charged with war offences for trial by the Allies. This is where Germany will suffer from defective eyesight.

One of our contemporaries finds that two weeks of "turn to the right" has produced no serious accidents in spite of its own predictions of fearful calamities unless the Government mended its ways and gave more instructions. We refrain from saying "we told you so."

The Reeve and Council of Saanich, while not requiring any endorsement from the electors in connection with the cemetery scheme owing to special legislation on the matter, have now a clear mandate to proceed to united action with Victoria. No one expected a vote of three to one in favor of the participation of Saanich in the scheme. The result will enable the district council which expects the cemetery to be located within its municipal limits to participate in the management on the terms provided in the agreement already drafted.

BRITISH ELECTION STATEMENT SOON

(Continued from page 1.)

To Retire.
Sir Reginald Blair, Unionist M.P. for Bow and Bromley, announces his intended retirement from the House of Commons when dissolution occurs.

Alderman Samuel Galbraith, Liberal M.P. for Spennymoor, also intends retiring from public life.

Derby's Views.
Manchester, Eng., Jan. 15.—Lord Derby, addressing the Lancashire division of the National Unionist Association Saturday, said a large majority of Conservative opinion in Lancashire opposed the holding of an immediate general election and he appealed to Premier Lloyd George to postpone it.

He declared he failed to see any body of men who in the terrible times after the war could have done better than the present Government and he was not going back on the Premier as long as they could possibly find a means of agreement. He said no man had greater influence in foreign affairs and Mr. Lloyd George should be retained as head of the Government.

HAD BAD COUGH AND SORE THROAT

Never neglect a cough or cold however slight. If you do it can have but one result—it leaves the throat or lungs, or both, affected. A single dose of

DR. WOOD'S NORWAY PINE SYRUP

will help to stop the cough, soothe the throat, and if the cough or cold has become settled on the lungs the healing virtues of the Norway pine tree, along with the soothing and expectorant properties of other excellent herbs, roots and barks promptly eradicates the bad effects, and the persistent use cannot but help to bring about relief.

Mr. Albert Marsh, Lower L'Ardoise, N.S., writes: "About a year ago I contracted a cold accompanied by a very bad cough and sore throat. I sent for the doctor, but what he prescribed did me so little good I began to get discouraged. A friend came to see me and asked me if I had ever used Dr. Wood's Norway Pine Syrup. I told him I had not and sent him right away to get me a bottle. I started using it, and after a couple of days I found I was getting relief, and after taking two bottles the soreness in my throat seemed to be leaving me, so I resolved to continue its use, and after I had used five bottles both my sore throat and cough were gone. I would not be without 'Dr. Wood's' for any more."

Price, 35c and 60c a bottle, put up only by The T. Milburn Co., Limited, Toronto, Ont.

PROGRESSIVES TO ENTER B.C. POLITICS

Move For Provincial Convention to Pick Leader

Members of the executive of the Victoria section of the National Progressive Party under President Shimmie at their meeting Saturday night decided to take steps at once to call a Provincial convention of Progressives in order to choose a leader to draft a provincial platform and enter Provincial politics with a candidate in each riding at the next election.

The entire province is being circled, calling attention to the forthcoming convention.

It was decided to ask Hon. T. A. Crerar, Dominion leader of the Progressives, to give the British Columbia branch of the party official recognition.

Condolences were telegraphed to Premier Greenfield of Alberta on the death of his wife.

SAYS EXPEDITION BASIS FAULTY

(Continued from page 1.)

refusal to allow ourselves to be crippled so that he might be outfitted afresh I believe he describes as 'insubordination' if not actual 'mutiny.' In fact, I have been advised that in his book he attributes his failure to accomplish more to the manner in which we kept continually hindering him. I am not surprised that Dr. Anderson, in order to keep silent under these unjust accusations, has publicly denounced him. The Government may now consider a full inquiry justified.

Prof. O'Neill thinks Mr. Stefansson's claim to the effect that traveler can live on the same he encounters in the Arctic areas erroneous.

A dispatch from Buffalo, N. Y., said charges in which several members of Vilhjalmur Stefansson's 1913-14 expedition into the Arctic had demanded official investigation by the Canadian Government, which financed the expedition, were denied in a statement issued in Buffalo Saturday by Mr. Stefansson.

Mr. Stefansson said he had been shown a Canadian Press dispatch relative to the Federal Government being asked to investigate charges regarding the 1913-14 Canadian Arctic expedition.

When he came south in 1918, said Mr. Stefansson, charges were being circulated and he at that time suggested a formal investigation and had since reiterated the suggestion.

Mr. Stefansson denied that members of the expedition had been forbidden to write letters.

He knew nothing about the financial arrangements, he said.

SALARY CUT PLAN STARTS BIG STORM

(Continued from page 1.)

The present City Engineer is paid a salary of \$400 a month, of which is added \$50 a month to cover extra work which he has to do in supervising the construction of the new Johnson Street Bridge. In 1914 Mr. Rust, the City Engineer, received \$341 a month. The construction of the Johnson Street Bridge not only has involved a great deal of work on the part of the Engineer, but also, it is pointed out, has increased his responsibility greatly and his success in installing the bridge foundation well within his original estimate, which was much lower than the tenders of private contractors, has firmly established his reputation in the engineering world.

The present City Solicitor receives \$300 a month. In 1914 the solicitor received \$458 a month.

The City Controller, whose advice has formed the basis of the city finance policy for years, receives \$250 a month. The Comptroller received exactly that amount in 1914.

The City Treasurer, who has charge of the collection of taxes, banking of money and so forth receives \$200 a month. This is the same salary which he received in 1914.

The City Health Officer, who has complete charge of the Health and Sanitary Departments receives \$1,300 a year now. The health officer's salary in 1914 was \$5,000 a year.

The Electric Light Superintendent also is receiving the same salary as that paid in 1914.

The salary of the City Clerk, \$200 a month, is that which was in effect in 1914. In the Clerk's Department expenses have been cut down \$1,000 a year since 1914 by a decrease in the staff.

Certain department heads who believe that they could make more than their present salaries in private business are disgusted with the proposed salary reduction. It became known to-day that they plan to offer their resignations to the Council if their salaries are reduced to any great extent.

All members and friends who are invited to attend, should take a Hillside car. The proceeds will be used for the Sailors' Club.

Government Thanked.—The Victoria Chamber of Commerce has written to Premier Oliver to express its gratification at the action of the Provincial Government in retaining the Department of Insurance in Victoria. "It has always been our contention that government departments, so far as possible, should be concentrated in one capital building," the chamber's letter to the Premier stated.

Care of Disabled Men.—Before a public meeting under the auspices of the Women's Canadian Club at the Empress Hotel to-morrow at 3.15, Dr. Wace, one of the originators of the Red Cross workshop scheme in Victoria, will give an address on the care and treatment of the disabled veteran. Dr. Wace has just returned from England, where he has been studying the question, and his information should be of unusual interest to everyone. The public is cordially invited to attend this meeting. Mrs. R. D. McCaw will sing during the afternoon.

Presentation to Mr. Losee.—Mr. and Mrs. W. A. Losee were pleasantly surprised on Friday evening when representatives of the First Presbyterian Ladies' Aid visited them at their home on Richmond Avenue. The president, Mrs. J. G. Brown, on behalf of the society, presented Mr. Losee with a handsome electric reading lamp as a small token of appreciation of his ever-ready service in decorating the church for their various functions. Mrs. J. A. Gould read the brief address which accompanied the gift. At the conclusion of the little ceremony, the visitors were entertained at a card game followed by refreshments served by their hostess.

Friends of Mrs. J. Middleton Stansby.—(nee Edna H. Wrigglesworth), will be pleased to hear that she has left the Victoria Private Hospital and returned to her home, 1704 Bay Street, accompanied by her infant daughter.

DAYLIGHT SAVING IN VICTORIA URGED

Daylight saving was unanimously endorsed by the Chamber of Commerce directors at their luncheon to-day. The directors will urge the City Council, in accordance with the will of Victorians as expressed by plebiscite, to put Victoria clocks ahead next Summer. Managing Secretary Geo. I. Warren suggested that Victoria should adopt the same time system as that in force in Vancouver, which decided by referendum to put clocks ahead next Summer. The directors urged that daylight saving should prevail in Victoria and the three surrounding municipalities.

IS SAANICH ELECTION VALID VOTE OF PEOPLE?

Such Is Issue Now Before Executive Council

Opponents of Victorians to Be Heard

Whether Reeve Watson, of Saanich, who was re-elected on Saturday by a handsome majority, is legally reeve has not yet been decided.

Failure of the returning officer to comply with some of the details of section 70 of the Municipal Elections Act, which have to do about posting declarations on property qualifications, is the reason for the doubt.

Following the action of F. A. Pauline on Saturday to get the Government to take steps to make certain that the election was valid in spite of the technical omissions, Reeve Watson appeared at the Parliament Buildings early this morning. He interviewed Premier Oliver and told him of the difficulties that he was facing in spite of his satisfactory majority at the polls.

A few minutes later opponents to the Reeve notified the Premier that they would attend at the Parliament Buildings in a body this afternoon to back up opposition to Mr. Watson.

Reeve Returns.
Later, Reeve Watson appeared again at the Buildings. This time he was accompanied by the municipal solicitor, H. B. Robertson, Municipal Clerk Cowper and Returning Officer Sewell. They brought a large bag full of legal volumes.

An argument as to why Reeve Watson should be considered elected was immediately started before the Premier and Attorney-General Faris. This was kept up until after noon, while other Ministers of the Cabinet paced and down outside the Premier's office waiting to get into the executive meeting to which they had been summoned earlier in the day.

The Reeve and his solicitor refused to make any statement for publication after they withdrew from the Premier's office this afternoon. "We have not yet fully decided whether the Government will be able to fix it up," the Premier said after the argument.

May Be New Election.
Other members of the cabinet said that they could not see how the Government could fix up an election for Saanich that had not been conducted according to the law. They said that as far as they understood the situation it would require an Act of Parliament to fix it up. As the Legislature will not meet until next Fall, they said that this meant that Saanich could only get out of the trouble by holding another election.

Could Not Eat
Constipation is caused by a torpid condition of the liver. Dosing with salts, castor oil, etc., to move the bowels, cannot afford more than temporary relief.
If you are to rid yourself of this ailment and the scores of annoying symptoms and diseases which come in its wake, it is necessary to get the liver right by such treatment as is suggested in this letter:

Mrs. Alvin Richards, R. R. No. 1, Seely's Bay, Ont., writes:
"For two years I was afflicted with indigestion, and in the morning when I got up my breath was bad. I had a poor appetite, and just felt like eating certain foods. I used many different medicines as a laxative without benefit, and the doctor's medicine did not help me at all. Finally I tried Dr. Chase's Kidney-Liver Pills, and found them better than anything I had ever tried. I can highly recommend them to anyone troubled with constipation or kidney troubles."

Best, of Ganges; the Rev. and Mrs. Lascelles Ward, of Vancouver, are staying at the Dominion Hotel.

A very pretty Chinese wedding took place Friday evening at the Westholme Hotel, Government Street, where Rev. Dr. Campbell officiated at the marriage of Mr. Mah Moon

Bing, of Winnipeg, and Miss Helen Seto, eldest daughter of Mr. and Mrs. C. Seto, of Victoria. The bridegroom was accompanied as groomsmen by Mr. Mar Leung and Mr. Albert Mar. The bride was given away by her father. She looked charming in an exquisite native costume of shell pink satin with hands embroidered, draped with lace, a wreath of orange blossoms, a beautiful Oriental veil, and carried a bridal bouquet of Chinese lilies and white carnations. Miss Florence Seto, sister of the bride, and Miss Winnifred Low, cousin of the bride, were bridesmaids. Both were gowned in white crepe de chine and carried bouquets of roses and lilies of the valley. After the ceremony a buffet supper was served in the dining room of the hotel, where the Rev. Dr. Campbell and others gave speeches congratulating the happy couple. Over two hundred guests were present. The bridegroom is a native of China, but has resided in Winnipeg since boyhood. The bride is a native of Victoria and is thoroughly educated in Chinese, French and English. After their honeymoon on the mainland, Mr. and Mrs. Mah will make their home in Winnipeg, where Mr. Mah has a good business, and is a well-known merchant.

Major S. Okell, M.C.

WEDS IN SEATTLE

Married To-day to Miss Anna M. Milligan, Formerly of Victoria

Of unusual interest was the wedding which took place in Seattle at 3 o'clock this afternoon when the Rev. C. J. Hawkins, D. D., celebrated the nuptials of Major Stanley Okell, M.C., son of the late S. M. Okell and Mrs. Okell, of Victoria, and Miss Anna Myrtle Milligan, daughter of Mr. and Mrs. James Peter Milligan, of Seattle, formerly of Victoria. The marriage was quietly solemnized in the Plymouth Congregational Church in the presence of intimate friends and relatives only.

The bride was given in marriage by her father and wore a smart travelling suit of navy blue pique twill made with panel effect and trimmed with black bugle beads. A beaming black pique hat, with a cape wrap and corsage bouquet of lilies of the valley and orchids completed her wedding toilette. After a honeymoon in the Sound cities Major Okell will make their home in Victoria.

Major Okell saw much service overseas during the late war, leaving Victoria with the 67th Battalion and being later transferred to the 102nd Battalion. He is a popular member of the local staff of the Soldiers' Civil Re-establishment and among the many beautiful wedding gifts received by the young couple was a handsome silver tea-service and tray from the bridegroom's fellow members of the S. C. R. staff.

A quiet wedding was solemnized at St. Stephen's Church, Calgary, on Saturday, January 14, by the Rev. Canon James, B.A., when Shirley Jackson Sylvester, daughter of Mr. and Mrs. Geoffrey Sylvester, of Calgary, late of Toronto, was united in marriage to Mr. William Wallace Duncan, only son of the late Thomas Wallace Duncan, of Seaford, Ontario, and Mrs. Duncan, of 1639 Hampshire Road, Oak Bay.

The bride's costume was of white broadcloth, with hat of silver lace and corsage bouquet of sweetpeas and lily of the valley.

The wedding reception was held at the home of the bride's parents. Receiving with Mr. and Mrs. Sylvester were Miss M. G. Goble, cousin of the groom. Those assisting with the refreshments were Mrs. A. Moffat, Mrs. E. S. Rennie, of Toronto, Miss Betty Withorn, Miss Marie Beatty and Miss Agnes Robertson.

Mr. and Mrs. Duncan left on the evening train for the coast cities, the bride travelling in a navy suit with squirrel cape gold and smart hat of navy and gray. Their future home will be in Victoria.

PROVINCIAL I.O.D.E. MEETING THIS WEEK IN VANCOUVER

The Provincial Chapter of the Daughters of the Empire in British Columbia will hold its quarterly executive meeting at 2 p. m. Wednesday, January 18, at the home of Mrs. Edgar Lee, 1603 Chibwe Ave., Vancouver, and its quarterly general meeting at 10.30 a. m. Thursday, January 19, in the Navy League Auditorium, Beatty and Dunsmuir Streets, Vancouver.

The morning session of the general meeting will be occupied chiefly with provincial reports, and in the afternoon the questionnaire on the constitution will be taken up. Miss Bollert, M.A., of the University of British Columbia, will address the meeting along educational lines.

The Provincial Chapter of Vancouver is kindly entertaining the visiting delegates at lunch and tea at the Navy League, on Thursday.

Y.W.C.A. ENTERTAINS LOCAL STUDENTS

Girls of Victoria College and High School Hear Miss Bollert

About two hundred girls, representative of the students of the Victoria College and of the High School matriculation class, met in friendly rivalry at the Y. M. C. A. on Saturday afternoon at the invitation of the Y. W. C. A. After a baseball game between the two teams, in which the High School students won with a score of 35 to 5, the girls participated in group games and swimming.

The games were organized by Mr. Maguire, of the "Y" staff, and created much amusement and excitement among participants and spectators. Demonstrations of swimming were given by Miss Florrie Gates, Miss Muriel Daniels and Miss Dorothy Melville.

At a banquet served in the dining room, which with the gymnasium and pool was kindly placed at the disposal of the Y. W. C. A. by the "Y" directors, Miss Bollert, Dean of Women of the University of B. C., gave an inspiring address.

Miss Winnie Elliott, speaking for the girl students of Victoria College, and Miss Florrie Gates, speaking for the High School matriculation girls, voiced the thanks of the groups which they represented.

Mrs. Peter MacNaughton and Mrs. Gibson moved and seconded the thanks to Miss Bollert, who came over for the express purpose of speaking to the gathering, others who were included in the vote being the many who had helped to make the affair so successful including the Y. M. C. A. and Mr. Maguire.

The Educational and Publicity Committees of the Young Women's Christian Association wish to make grateful acknowledgment of the following donations for the supper from the business firms of the city: Messrs. D. W. Hanbury, Shelley Bros., Rennie & Taylor, bread, cake and rolls; Royal Dairy and North-western Dairy, butter; Victoria City Dairy, milk and cream; Jameson Coffee Co., tea and coffee; Hudson's Bay Co., fruit; J. W. Spencer, ice cream; P. Burns & Co., H. O. Kirkham & Co., L. Goodacre & Sons, meats; Terry's Drug Store, ice cream; Scott & Peden, groceries; Macey-Abell Co., serviettes; Hibben Co., place cards; and Dominion Hotel for services in cooking of meats and vegetables.

To Meet Wednesday.—The annual general meeting of the Saanich Branch, Victorian Order of Nurses will be held in the Municipal Hall, Royal Oak, on Wednesday at 8 p. m. All members are requested to be in attendance.

MANY EMPLOYED REPAIRING BARGE

One Hundred and Fifty Men Working at Victoria Machinery Depot

One hundred and fifty men are employed in repairing the Canadian Pacific car barge No. 8 at the plant of the Victoria Machinery Depot, Ltd. The work of stripping the damaged plates is proceeding and for the next month there will be considerable activity at the Bay Street plant. The contractors expect to have the barge completely repaired by the middle of February, it was stated today by C. J. V. Spratt, president of the company.

The Victoria Machinery Depot now has the Dominion Government freighter Canadian Winner in dry-dock at Esquimalt, where she is getting No. 1 survey and undergoing a general overhaul. The work on the Canadian Winner will be completed by Wednesday, when the ship will shift to Vancouver to commence loading for Yokohama and Shanghai. The Department of Marine steamship Newington is expected at the Victoria Machinery Depot for overhaul and general repairs. The Newington is now on her way down the coast from Prince Rupert. The C. P. R. tug Nitinat is also due at the plant for overhaul.

SANK THE TUGBOAT CLINTON IN COLLISION

C. P. R. STEAMSHIP PRINCESS ROYAL

Tug Clinton Sunk In Collision With S.S. Princess Royal

Crew of P. G. E. Tugboat Saved Lives By Clambering Over Bows of C. P. R. Steamer As Craft Sank In Swirling Waters of First Narrows; Collision Occurred In Dense Fog.

Vancouver, Jan. 16.—Nine men narrowly escaped drowning when their tugboat Clinton collided with the Princess Royal in Burrard Inlet at an early hour Sunday morning and sank in a few minutes. The crew of the Clinton was rescued by the Royal and taken back to Vancouver unharmed. The Clinton lies in twelve fathoms of water. The craft came together in a dense fog, which made navigation of the Narrows, where the accident occurred, extremely dangerous. The Princess Royal, of the British Columbia Coast Service, was proceeding to Victoria on her nightly run with passengers. The Clinton was coming into port with a barge in tow.

The crew of the tug escaped death by the narrowest possible margin. The last to leave the ship, Captain L. H. Fraser, feeling the vessel sinking under him, made a clutch for the rail of the Princess Royal, missed it, and was caught by the scruff of the neck by a deck hand and dragged aboard the steamer just as the Clinton disappeared in an ugly swirl of water. Other members of the crew, some of them in their pyjamas, tumbled aboard the Princess Royal from the tug boat, which sank three minutes after the accident.

Immediately after the accident, the barge which had been in tow of the Clinton, was rammed by an unknown vessel, thought to be a gas boat. Although Captain A. J. McAskill, in charge of the barge, immediately gave distress signals by means of his hand, the boat headed away and disappeared in the fog.

Sank Immediately.

"The accident to the Clinton happened so suddenly that there was time to do nothing," stated Captain Fraser. "We were proceeding into harbor from Squamish, moving slowly and keeping a sharp lookout. We were towing a car barge loaded with twelve cars. Several boats passed clear of us. A whistle was heard in the distance and then suddenly three sharp blasts were heard directly ahead. This in the language of the sea means 'my engines are going full speed astern.' Directly afterwards the lights of the Princess Royal loomed out of the darkness. There was a crash of rending timbers and her bow ploughed half way through the tug boat. It is a wonder some of the men below were not killed in their bunks. I immediately gave the order to cut loose from the barge and in three minutes my vessel sank in some twelve fathoms of water. We had barely time to clamber aboard the Princess Royal. Nothing was saved, except the clothes we stood in. The Princess Royal stood by until it was ascertained that the barge was out of danger. She was anchored by her crew off the North Shore. The Canadian Pacific Railway vessel then proceeded into harbor again where the tug-boat crew were put ashore at pier 'D' and the Canadian Pacific Railway tug 'Tola'—ordered to tow the barge into harbor. This was accomplished early Sunday morning after the fog had cleared sufficiently.

The crew of the Clinton were: Captain, L. H. Fraser; first mate, H. J. Dunning; chief engineer, W. W. McGuire; second engineer, William Matheson; firemen, Robert McGuire and W. Collinson; deckhands, Charles Baldwin and E. Kirkman, and cook, Ben Shaw. The crew of the barge were: Captain, A. J. McAskill; and crew, Amos Violet, Neil Maclean and H. Collins, cook. Tug Valued at \$55,000. In a statement last night A. B. Buckworth, General Manager of the P. G. E. Railway, said: "The Clinton was valued at \$55,000, which was partly covered by insurance. The barge was valued at \$30,000, not including twelve cars which were being towed." The Clinton was purchased in 1918 at Seattle by Premier Oliver. She was valued last year in Provincial Government reports at \$48,000. Captain J. McGowan, superintendent engineer of the C. P. R. Coastwise Steamship Service stated last night that he had nothing to say from the point of view of the C. P. R. "The two ships came together in the fog. The smaller one went down. The accident was caused by the fog." Part of the cabin of the Clinton was found by fishermen at the Great Northern Cannery, near Point Atkinson. The cabin was practically complete, the life boat was in its proper position on top of the house and the searchlight just above the pilot house was practically uninjured.

DISCUSS PROBLEM OF HANDLING GRAIN AT VANCOUVER PORT

Vancouver, Jan. 16.—Local harbor problem, including the grain handling question and Vancouver's capacity for handling prairie grain at this port, will be discussed at special meeting of the Vancouver Board of Harbor Commissioners with A. E. Warren, general manager of the Canadian National Railways, who is at present in the city on business connected with the Canadian National. He is on a trip of inspection of Western lines, and expects to remain in this city for several days.

NEUTRALIZE ACIDS IN YOUR STOMACH

GET RID OF INDIGESTION

Few people realize the importance of keeping the stomach free from excessive hydrochloric acid. Yet Acid Stomach is the cause of nine-tenths of all stomach trouble. The food sours and ferments bringing on Gas, Heartburn, Bloating, Indigestion, and the stomach pains that every sufferer knows so well. Pepsin, the digestive agent, is not needed. They give only temporary relief and often do great harm. Neutralize or sweeten the stomach acids after eating with a glass of warm or hot Magnesia water. A teaspoonful, or four tablets of pure Bismarck Magnesia to a glass of water is all that is required. Get a few ounces of Bismarck Magnesia from any reliable druggist and try this for a few weeks. Eat what you want and enjoy your meals.

FORMER SEALER SUCCEUMS HERE

Another old sealer has passed to his rest in Mendel Holmes, who died last week at the St. Joseph's Hospital here. The late Mr. Holmes was born at Plymouth, Mass., 73 years ago, and first came to Victoria in 1886 with Capt. James Folger from Yokohama on the schooner Penelope. For several years he was engaged in sealing operations out of this port and sailed as mate of the schooner Casco in 1891 with Capt. Folger.

On retiring from the sealing business Mr. Holmes came to Jan at Sooke, where he had resided for the past ten years.

MONTCALM DID WELL ON SPEED TRIALS

Maximum Speed Was 17.96 Knots; Due to Leave Liverpool on Maiden Voyage

Liverpool, Jan. 16.—The trial trip of the Canadian liner Montcalm showed highly satisfactory results, it is announced. Maximum speed of 17.96 knots was made without pressing boilers or engines; on twelve hours' trial her speed was over 17 knots on 12,005 horsepower. The Montcalm presents a fine appearance and is admirably finished and equipped. When she docked at Liverpool she was immediately taken over by the Canadian Pacific from the builders, John Brown & Co., Ltd., Clydebank Scotland. The Montcalm is one of the finest ships of her class built or under construction for the Atlantic service. It is announced that the Montcalm will make her first trip on January 17 from Liverpool to St. John. She will be in regular service between these ports until Spring, and with the opening of the St. Lawrence season the Montcalm and her sister ships, the Montrose and Montclare, will be on the Liverpool-Montreal run.

PIRATES PREY ON RUM SMUGGLERS

Story Told by Man Following Return to Vancouver

Vancouver, Jan. 16.—That pirates preying on rum smugglers operating out of this port, are posing as United States officers, was the story told by Charles Boyes, on his return here Saturday minus his fast little motorboat, a valuable cargo of whisky and a substantial bankroll. Boyes had been playing a "lone hand" and running comparatively small cargoes to Puget Sound points but had decided to take a partner and wrote one "Omaha Whitey, then in Victoria, to join the enterprise in Vancouver a week or so ago.

"Whitey" arrived in Vancouver last Wednesday but found that Boyes was overdue from a trip commenced on the previous Saturday. On Friday he received a wire from Boyes at Bellingham asking that he forward him funds as he was in trouble.

The money was sent and on Saturday Boyes returned and told his story. With a cargo of fifty cases of liquor he was cautiously making for his landing place without showing any lights when he was suddenly overhauled by a larger and faster boat, which was without lights.

"You are under arrest," was the greeting of three men, who boarded his boat with revolvers in hand. Searching him, the supposed officers relieved him of \$2,100 carried for emergencies such as the one that confronted him. "We will take charge of this as it is evidence," said his captors.

Two men were left in charge of the boat and Boyes was compelled to board the larger craft.

The smaller boat drew away. Then the larger craft with Boyes stoutly remonstrating against the seizure of his bankroll, set its course for Bellingham.

Before reaching that place Boyes was landed and two of his captors placed him in an automobile and drove toward the town. He was informed that he was to be placed in jail there to await trial. The outskirts of the city were reached and the car pulled up. Instead of being turned over to the officials, Boyes was ordered to leave the car and told to "beat it," the driver of the car throwing the engine into gear and disappearing in the bushes. It was then that Boyes realized that he had been the victim of pirates and that his liquor cargo was probably safely landed and his captors receiving the profit from it.

Careful inquiries made in Bellingham and Puget Sound points failed to secure information of his missing boat, and knowing that he could not appeal for aid to the American officials, he wired for funds and made the return trip to Vancouver.

Y.W.C.A. PLANS ITS ANNUAL "AT HOME"

Board of Directors Hear Interesting Reports of Committee Work

The regular monthly meeting of the Y. W. C. A. was held Friday afternoon, January 13, the president, Mrs. Bishop, in the chair. The reports for the month were particularly interesting, that of the house committee showed 4,071 meals served, 28 permanent and 71 transient guests.

The Travellers' Aid secretary met 153 boats, 41 trains, and assisted 22 people. Several cases were cited, two in particular showing how very helpful and necessary this department of the association work is to the travelling public. It is non-revenue producing and is kept up solely by subscription money of the women's organizations of the city and Island contributing to its support. There is still room, however, and need for further subscriptions.

Two new members were warmly welcomed to the board, Mrs. Jas. Fletcher and Mrs. H. H. Smith. Mrs. Bishop took the opportunity of explaining to these members the different departments of the work, naming their time of meeting, before the regular board meeting, which is the second Friday of each month. Monday, 4 p. m., Travellers' Aid Committee; Tuesday, 2:30 p. m., Religious Committee, 3:30; House Committee, 4:45 p. m.; Educational Committee, Thursday, 2:30 p. m.; Finance Committee, and 4 p. m., Social Committee.

The general secretary reported that the Christmas festivities passed off very happily, the girls assisting in decorating the house, which was most attractive. Holly and evergreens were donated by Mrs. Bishop, Mrs. Chave, Mrs. Kennedy, Mrs. Plaskett, Mr. Loese and the Christmas tree by Mr. Gardiner, for which since thanks were expressed. Sixty guests, sixteen of whom were special, sat down to dinner, Monday 26th, and in the evening twenty-five gathered together for games and music and a jolly time generally.

The month of January is a very full one for the association activities. The publicity and educational committees giving a reception to the girls students of the Victoria College and the matriculation class of the High School Saturday afternoon, January 14th and on January 26th the annual "At Home" to the membership will be held at the Victoria Club, Campbell Building. Plans are being made to make this a most enjoyable occasion.

The contests for the best article on the value of the association to the girl in our midst and to the community at large, the best poster showing the need of a new Y. W. C. A. in Victoria and the best slogan for the building campaign, closed on January 26. On January 31 a silver tea will be held in the dining room, 745 Yates Street, at which the prizes will be given to the successful contestants. The committee in charge are looking for a large response to these contests.

Miss Elliott, National Y. W. C. A. secretary from Hong Kong, China, will visit the city in the near future when plans will be made to have a mass meeting of the 'teen age girls to meet Miss Elliott and hear her speak on the "Value of the Y. W. C. A. work in foreign lands. Meetings will also be arranged for the general public.

DO YOUR BOWELS MOVE REGULARLY, OR DO THEY BECOME CONSTIPATED

There is no medium through which disease so often attacks the system as by allowing the bowels to become constipated, and there is no other trouble which flesh is heir to that is more liable to be neglected, because material inconvenience may not be felt at once, from irregular action of the bowels. When there is not regular action the retention of the decayed and effete matter, with its poisonous gases, soon poisons the whole system by being absorbed into it, causing internal sickness and bilious headaches, piles, heartburn, jaundice, etc.

MILBURN'S LAXA-LIVER PILLS will regulate the flow of bile to act properly on the bowels, thus making them active and regular, and removing the constipation and all its allied troubles.

Mr. Samuel Buckler, Tatamagouche, N. S., writes:—"For over a year I suffered with constipation. I took several different kinds of medicine, but could only get temporary relief. I was told to try Milburn's Laxa-Liver Pills. I procured two vials of them, but after I had taken one I found that I was relieved of my trouble. I do not hesitate to recommend Laxa-Liver Pills for any kind of constipation."

Price, 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

CHARIOT RACE IS

THRILL OF FILM

"Queen of Sheba" at Royal Will Be Magfest This Week

J. Gordon Edwards, who directed the great dramatic spectacle, "Queen of Sheba," the production playing at the Royal Victoria Theatre to-day and all week, has scored a dramatic en-strike with the wonderful chariot

QUEEN OF SHEBA
Will 'AM Fox Production

ace in the picture. There are such extraordinary photographic effects which carried the thrill and excitement of the race to the audience that an interviewer asked Mr. Edwards how it was done.

The chariot race between Sheba and Vashti, with five thousand people looking on and the love of Solomon at stake, is the piece de resistance of "Queen of Sheba." Without it the picture would still be a massive and gorgeous spectacle and a love drama of gripping power; but the race, presenting as it does something altogether new in motion picture effects, is the feature of the lay that is being most talked about.

Betty Blythe's beauty as the Queen of Sheba, Lieber's splendid acting as Solomon, the glories of Solomon's court and the stirring battle scenes between the armies of Solomon and Doniah are thrilling audiences far and near; but it is the chariot race that brings them to their feet with round upon round of applause.

There are several races, with the final contest between Sheba and Vashti as the climax. At times ten chariots and forty horses dash breast around the great arena, a new photographic device making it possible for cameras to follow them in the way round, and showing all the action close-up.

The arena or hippodrome was constructed specially for this production in a natural amphitheatre between rolling hills about eight miles out of Los Angeles. The track is 150 feet wide and is in the form of a vast U-shape, 1,250 feet by 3,100 feet, surrounded by an inner and an outer wall, and a huge colonnade of 75 pillars, behind which, in the picture,

ing scenes in the race, the close-ups of the women, robes flying, driving their chariots towards the camera, were made from the rear of automobiles, which went around the arena in front of the chariots. In these close-ups the expression on the faces of Sheba and Vashti in the excitement of the race can be seen.

Mr. Edwards was aided in the arrangements for the races by Tom Mix, the William Fox cowboy star, who personally selected the "peppiest" horses and worked out plans for showing them to the best pictorial advantage. It was one of his best riders who, in an exciting moment of the race, was thrown from his chariot when a wheel came off. This incident put an additional "punch" in the picture, but the director would gladly have dispensed with this thrill, for the man narrowly escaped serious injury. Another chariot bore down upon him as he lay in the arena. The

outside horse was almost upon him as he tried to roll away. Seeing him just in time, the horse reared, swerved over and, nearly upset, its own chariot—but saved the man, who was able to roll out of the way of the chariot wheels.

If "Queen of Sheba" is a motion picture banquet, the chariot race is an absolutely new and original hors d'oeuvre that stamps the chef as a genius.

"DISRAELI" IS NOW AT DOMINION

Miss Grace Griswold Plays Part of Duchess of Glastonbury

Miss Grace Griswold, the "Duchess of Glastonbury" in "Disraeli" with Mr. George Arliss, which will be seen at the Dominion Theatre to-day, has achieved fame as an actress, author, dramatist and moving spirit in big movements intended to improve the stage and the drama. The "many-sided" Miss Griswold is one of the very active members of Mr. Arliss' star cast, and many books might be written about her.

She was born in Ashtabula, Ohio, and educated in private and public schools in Chicago. After graduating from the Columbia College of Expression in Chicago, she sought a position in Augustin Daly's company when it visited Chicago, and became a "student" member with this famous company at Daly's Theatre, New York, November 26, 1894, and after a period of understudying she was assigned the role of "Maria" in "A Night Off" with the company on tour in 1895. She created the role of "Mrs. Narcot" in "A Burglar's Reception" at the Garden Theatre, New York,

March 18, 1895, at which time she also played "Celia" in "Plot and Passion."

Miss Griswold subsequently appeared as "Miss Ashford" in "The Private Secretary" and as "Fifi Orlanski" in "All the Comforts of Home" on tour, in 1895. She became a member of John Griffith's company on tour, 1895, playing in "Faust" and "A Fool's Revenge," at the Schiller in Chicago. Followed, in the next years, "The Queen," in "Hamlet"; "Jessica," in "The Merchant of Venice"; "The Nurse," in "Romeo and Juliet"; "Mrs. Smith," in "David Garrick"; "Acte," in "Ingomar," and "Emilia," in "Othello."

Miss Griswold managed her own company for several years, and produced many plays. She was associated with a number of stock companies, including the Castle Square, Boston; the Shubert, Syracuse; the Bellows and Lafayette Square Theatre stock companies, Washington, D. C., and others. Miss Griswold has played with the principal stars of the last decade, and her appearance in "grand dame" roles in motion pictures seems to be assured for some time to come.

Besides writing a volume of poems, Miss Griswold has written several plays, and is the founder of a number of societies that have the welfare of the drama at heart. The Three Arts Club of Chicago was started by Miss Griswold, and her affiliation with the Neighborhood Playhouse, the Washington Square Players, and the Theatre Workshop is too well known to require special mention. She was appointed New York State organizer for the Drama League, and started the

New York State organization, and when Mr. Tom Wise and Mr. George Arliss, associated with a group of prominent actors, started the Fund for Wounded Actors in the Great War, Miss Griswold was secretary of the Fund.

MARGARET SEDDON IS SEEN AS STAR

"Just Round the Corner" Is Capitol Offering

Following the great success made by "Humoresque," a Cosmopolitan production released by Paramount comes another screen epic of the East Side of New York in "Just Round the Corner." Fannie Hurst, who wrote "Humoresque," also wrote the story of "Just Round the Corner," which was published by Harper and Brothers, New York, in Miss Hurst's first collection of short stories. Frances Marion wrote the scenario and directed "Just Round the Corner," which will be seen at the Capitol Theatre this week.

Margaret Seddon, who took a leading part in "The Inside of the Cup," has a leading role in "Just Round the Corner." Lewis Sargent, the young actor who won fame for his creation of "Huckleberry Finn" in the Paramount picture of the same name, will be seen in the role of a prankish messenger boy whose chief aim in life is to take care of his mother and sister. Sigrid Holmquist, a Swedish beauty, has the role of the daughter and Fred C. Thomson is seen as the Real Man. Others in the cast are: Edward Phillips, Peggy Parr, Mrs. Rose Rosanova and William Nally. Walter Beaton, whose singing is so popular with Capitol audiences, is extending his engagement and will be heard in new songs.

"The Bird of Paradise" Is Coming

By its continuous noid upon public favor, "The Bird of Paradise," which returns to the Royal Victoria Theatre shortly has established a record not equalled by any other play in the history of the modern stage. Year after year its visits here have gathered audiences, anxious to see and hear the wonderful story of Hawaii.

This season the company is headed by Ann Reader, a Tully "find" who will play the title role. The number of Hawaiian singers and guitar players have been increased to enhance the charm of the weird music of the

mid-Pacific, all so essential to the new scenic production of this perennial offering. The roster of the new cast includes Herbert Charles, Frederick Forrester, Ellen Mahar, Rose Watson, James K. Appelbee, Joseph Robinson, Reba Garden and Douglas Cosgrove.

DRAMA OF NEW

YORK NIGHT LIFE

Illustrates Woman's Position in Puzzling Environment

Motion picture producers have long tried to buy the screen rights of Leroy Scott's novels, but he has held back until the Eminent Authors Company gave him the scope to produce "Partners of the Night," according to his own high standards of story telling art. The result is a photo-drama which steps along at a very lively pace.

Only one policeman in Leroy Scott's picture is a crook. Mr. Scott believes that the police perform a very important function in American life and that their job is to save human lives by preventing men and women from becoming criminals.

The beautiful Mary Regan, a daughter of the so-called aristocracy of crime, has attracted the eye of Bradley, and he says, "She's got the makings of the cleverest con woman in New York and we'll sure make her that." Educated in France and acquainted with a group of American swindlers in Paris, she is sailing for New York when the picture is flashed on the screen. On shipboard the young hero detective, Clifford, meets Mary Regan, and he follows her through the whirling night life of New York's great hotels.

Is he in love with a thief and the cleverest "con" woman in New York? Clifford doesn't know—but he believes

in her and so does the police commissioner. Leroy Scott is a social dramatist with a conscience and a clever way of clinching every situation so as to win the sympathy of his audience for his characters. You will live with them through the unfolding of "Partners of the Night" at the Variety Theatre, beginning to-day.

TIMELY HEALTH

HINTS FOR READERS

Reliable Home Treatment For Cases of Colds or Grippe

"Never neglect a cold" is a safe rule in every home. If it were followed many cases of severe illness would be avoided. The time to start treatment for a cold is right when it starts—the moment the first signs—sneezing, running at the nose, feverish condition, etc.—appear.

Start taking Grip-Fix (which you can get at any drug store) at once. In a single night your cold will be conquered, and even if it has reached the grippe stage, 24 to 36 hours' treatment will be effective. Coming in capsule form, it is both convenient for home use and prompt in action. The ingredients, which are probably just what your physician would recommend, are plainly printed on each box.

Be sure you get the genuine Grip-Fix. It has been sold all over Canada for many years, is a reliable remedy for home use. On sale by all druggists, 35c per box. Vancouver Drug Co., Limited, special agents. (Adv.)

"MAPLE LEAFS" ARE COMING TO CITY

Will Appear at Royal Next Week in "Camouflage"

An entertainment of a remarkable nature is promised at the Royal Victoria Theatre for Monday and Tuesday, January 23 and 24, when the famous entertainment troupe of the Fourth Canadian Division, The Maple Leafs, will appear for two nights in their great overseas revue entitled "Camouflage." This is the identical entertainment these soldiers gave behind the lines in France, after they had all seen active service at the front, and which they also presented for two years in England before they came to Canada.

With a record of fifty weeks of triumphant touring through Canada, breaking records in many cities, playing two weeks each in Toronto, Vancouver and Winnipeg, and four weeks at His Majesty's Theatre, Montreal, this brilliant organization will make its appearance locally under the direction of Capt. M. W. Plunkett, who, it will be remembered has directed the productions of The Dumbells here.

Elaborate and colorful stage settings, brilliant costumes, original and striking feature acts, and individual merit make this show unique in the history of Canadian stage, according to the verdict of the leading newspaper critics throughout the country.

The entertainment is made up of skits, sketches, concerted numbers, duets, dances, both spectacular and comic, and a series of highly contrasted solo numbers—songs, monologues, and dances.

Among the individual members of the cast may be mentioned specifically Harry Ashton, the leading female impersonator, whose work is declared to be equal to that of any other female impersonator on the stage to-day; Jack Ketyl, who is a perfectly irresistible ingenue; Pat Rafferty, an Irish comedian of rare gifts; Hughie Williamson, a veritable Theda Bara at vamping; and also a remarkable dancer; Marley Plunkett, one of the best singers of the troupe; Ernie Petch, a Victorian; and Bob Anderson, two clever interpreters of comic songs; and Hughie Williamson and Jimmy Graham, dancers who present some novelties in terpsichorean art.

NEW METHOD OF

SETTLING FEUD

"The Thunderbolt" Is Notable Picture at Columbia

The twentieth century method of settling a feud as compared with the systems used generations ago is strikingly brought out in "The Thunderbolt," starring Katherine MacDonald, which will be seen at the Columbia Theatre, commencing to-day.

As Ruth Pomeroy, Katherine MacDonald plays the part of a girl entrusted with upholding the family honor of the Pomeroy family. Her efforts are balked by Bruce Corbin, the only living male member of that family, which has borne a grudge against the Pomeroy for generations.

In order to carry out a pledge entrusted by his dead father, Corbin determines to "get the last of the Pomeroy." He decides that gun play is a remnant of a past day and that inflicting humiliation is the new way to wreak vengeance.

Replete with unusual and gripping situations the picture is one of the most interesting to be seen at the Columbia Theatre.

in his address to the police force at Thursday's meeting of the Police Board, said: "The welfare, security and contentment of the citizens and residents of the city may be made or marred by your vigilance or your laxity. I charge you, therefore, that you exercise your powers and authority with prudence, judgment, and with inflexible justice to all, tempered only by a sense of mercy to the weak and erring.

To keep the city morally clean, to prevent the committal of crime, to restore the wayward and fallen, and to lead the criminal into paths of virtue and rectitude are higher aims than to fill the calendar sheets with numerous prosecutions, or to provide the newspapers with sensational disclosures."

CONCERT ATTRACTS LARGE AUDIENCE

Special Features Are Made of Band Numbers

A delightful evening and an interesting programme, drew a large audience to the Capitol last evening, to hear the G. W. V. A. band in their eleventh Winter concert. The preceding Sunday saw the band half way through its Winter series of concerts and the occasion was then marked with a "song evening." It was, therefore, a fitting contrast to find last evening's programme devoted to band numbers chiefly.

In the six selections Bandmaster James M. Miller drew forth some delightful and illuminating effects, and in all they did the members acquitted themselves admirably, to the evident pleasure of those assembled. Particularly did the overture "Mir-sis" (Gounod), the "Blue Danube" Valse, and the Southern Descriptive "Down South," go far in adding to the prevailing enjoyment. In the latter, in which a song whistle, skillfully played by bandsman J. Anson, met with loud applause and had to be repeated.

The assisting artists were: Mrs. F. G. Aldous and Mr. Arthur Gore; both singers receiving two recalls.

Mrs. Aldous revealed a contralto voice of much purity and sweetness. In Liddle's "Abide With Me," the low notes were of lovely quality and her singing made altogether a distinct impression. Good taste and expression, too, were heard in her two recall numbers, "A Fat Little Feller With His Mammy's Eyes" (Sheridan Gordon) and "Pearl and Sea" (Lisa Lehman).

Arthur Gore. It is always a pleasure to hear Mr. Gore sing which has not been very often of late. At all times a student, he sings with faithful and intense absorption. He possesses those essentials too, which carry the singer far in gaining admission to the discerning and receptive listener. He has a fine baritone voice, and he sings with convincing utterance. His tones are good, pure, clean and vibrant. His recall numbers were de Koven's "Oh! Promise Me" and "Morning," by Olag Speaks.

The accompanist was Mrs. A. J. Gibson, who always gives excellent support and much confidence to the soloist. Her playing last evening was quite delightful.

THE STORY OF CAROL KENNICOTT

By SINCLAIR LEWIS

He gave her a hand to rise. "If you don't mind, I think a fellow is awful if a lady goes on a walk with him and she can't trust him and he tries to flirt with her and all."

"I'm sure you're highly trustworthy," she snapped, and she sprang up without his aid. Then, smiling excessively, "Uh—don't you think Carol sometimes fails to appreciate Dr. Will's ability?"

Ray habitually asked her about his window-trimming, the display of the new shoes, the best music for the entertainment at the Eastern Star, and (though he was recognized as a professional authority on what the town called "gents' furnishings") about his own clothes. She persuaded him not to wear the small bow tie which made him look like an elongated Sunday School scholar. Once she burst out:

"Ray, I could shake you! Do you know you're too apologetic. You always appreciate other people too much. You fuss over Carol Kennicott when she has some crazy theory that we all ought to turn anarchists or live on figs and nuts or something. And you listen when Harry Haydock tries to show off and talk about turn-overs and credits and things you know lots better than he does. Look folks in the eye! Glare at 'em! Talk deep! You're the smartest man in town, if you only knew it. You are!"

He could not believe it. He kept coming back to her for confirmation. He practised glaring and talking deep, but he circuitously hinted to Vida that when he had tried to look Harry Haydock in the eye, Harry had inquired, "What's the matter with you, Raymie? Got a pain?" But afterward Harry had asked about Kantbeaum socks in a manner which Ray felt was somehow different from his former condescension.

They were sitting on the squat yellow satin settee in the boarding-house parlor. As Ray reannounced that he simply would not stand it any more if Harry didn't give him a partnership, his gesticulating hand touched Vida's shoulders.

"Oh, excuse me!" he pleaded. "It's all right. Well, I think I must be running up to my room. Head-ache," she said briefly.

Ray and she had stopped in at Dyer's for a hot chocolate on their way home from the movies, that March evening. Vida speculated, "Do you know that I may not be here next year?"

"What do you mean?"

With her fragile narrow nails she smoothed the glass slab which formed the top of the round table at which they sat. She peeped through the glass at the perfume-boxes of black and gold and citron in the holly table. She looked about at shelves of red rubber water-bottles, pale yellow sponges, wash-rags with blue borders, hair-brushes of polished cherry backs. She shook her head like a nervous medium coming out of a trance, stared at him uncomprehendingly, demanded:

"Why should I stay here? And I must make up my mind. Now. Time to renew our teaching-contracts for next year. I think I'll go teach in some other town. Everybody here is tired of me. I might as well go. Before folks come out and say they're tired of me. I have to decide tonight. I might as well—Oh, no matter. Come. Let's skip. It's late."

She sprang up, ignoring his wall of "Vida! Wait! Sit down! Gosh! I'm flabbergasted! Gee! Vida!" She marched out. While he was paying his check she got ahead. He ran after her, blubbering, "Vida! Wait!" In the shade of the lilacs in front of

SOLDIER SETTLERS MAKE PROGRESS ON ISLAND FARMS

Department Report Deals With Victoria District

Progress of the soldier settlers who are operating holdings on Vancouver Island under the Soldier Settlement Board is told in the annual report, which has just reached The Times office from Ottawa.

Up to March 31 last the total number of settlers to whom loans had been granted were 534, the amount of the loans being \$2,895,814. Ninety-one have settled on privately owned lands, and 443 on purchased lands. The loan expenditure is divided as follows: Purchase of land \$1,417,683, removal of encumbrances \$113,756, permanent improvements \$371,730 and stock and equipment \$492,143. The statistics of equalization are number of applicants qualified 947, disqualified 590, and 36 recommended for training.

In view of the divergent views held with regard to the fair value of land on the island for farming purposes, it is interesting to note that the average price per acre, exclusive of encumbrances, has been \$70.88, and the average acreage of land purchased is set down at 45, the report shows.

Allusion is made to the difficult season of 1920 as one of the problems of the new settler. "The general progress," it is stated, "made by the soldier settlers on the whole has been excellent considering the fact that the large majority commenced their operations with a very small reserve capital—in many cases this capital consisted practically of war gratuity."

Full details are given with regard to the stock of the settlers, and their staple crops, hay and small fruits being the chief crops in productive value.

A chapter of the issue is given over to cases of typical settlers throughout Canada, the two cases quoted for Vancouver Island being Captain J. G. C. Wood, of Keating, and R. S. A. Jackson, located near Duncan.

A note attached to the volume shows that up to October 31 last the total number of soldiers settled on the lands throughout Canada is 27,142, and the aggregate of the loan issued is \$56,504,857.

SPEED UP LICENSE FEE COLLECTIONS

City to Collect Fees in Advance; Threaten Court Actions

To speed up the collection of business license fees here, new and drastic regulations will be put into effect immediately, it was announced at the City Hall to-day.

Under the new regulations all business license fees must be paid at the City Hall in advance. No

collectors will call upon merchants to collect these fees.

"Default in prompt settlement will mean immediate action to recover the amount due with penalty provided by statute," it is stated in a formal notice which City Treasurer and Collector E. C. Smith is sending to all license holders.

"Licenses must at all times be kept openly displayed in a prominent and conspicuous part of the licensed premises," the new regulations add.

Under these regulations all licenses for the first six months of 1922 must be paid by January 15 and for the following six months before July 15.

It was explained by city officials that in the years 1920 and 1921 for the first time in years license fees were collected by the city within the period which they covered. Now that license holders have been schooled into paying their fees promptly, the city feels justified in

collecting the money in advance, it was stated. The city will be able to use the money thus collected in advance to good advantage, it is claimed.

VETERANS PLAN GREAT SOCIAL GATHERING

A social gathering under the auspices of the Amalgamated Veterans' Association will be held in the Knights of Columbus Hall, 902 Government Street, on January 27. The Women's Auxiliary under the presidency of Mrs. Ricketts, has the honor of being the prime movers in this plan, which will be more than a get-acquainted affair, and will ultimately result in a grand re-union.

An excellent programme of music and singing will be provided, and some of the best talent in Victoria

will contribute. Dancing, cards and refreshments will conclude the entertainment.

This will be an important affair for ex-service men and the representation will comprise His Majesty's service in all its branches including soldiers, sailors and airmen. It will be remembered that a large body of naval men came into the Amalgamated Veterans. When sailors set out to give an entertainment all doubt is eliminated as to its ultimate success. The ladies are working very hard on this plan, and all members are requested to assist them. Particulars may be received from H. P. Thorpe, secretary, 157 Pemberton Building, telephone 5385.

CAPITAL INCREASE.

Ottawa, Jan. 16.—The Ontario Gazette announces that application has been made by the Consumers' Gas Company for authority to in-

crease the capital stock of the company from \$6,000,000 to \$12,000,000. The increase will take place by the creation of capital stock of the par value of \$6,000,000, divided at the option of the directors, into 120,000 shares at \$50 each.

TO BE BRIDESMAIDS.

London, Jan. 16.—(Canadian Press Cable)—It is officially announced that Princess Mary's bridesmaids will be Princess Maud and Lady Rachel Cavendish, Lady Mary Thynne, Lady Victoria Cambridge, Lady Doris Gordon-Lennox, Lady Elizabeth Bowes-Lyon, Lady Diana Bridgeman and Lady May Cambridge.

St. Mary's Parish.—The annual meeting of St. Mary's Parish, Oak Bay, will be held at the parish hall this evening at 8 o'clock.

KEEN FIGHT IS ON FOR LEAGUE HONORS

Teams Are Fighting Vigorously for Top Places in Old Country Football

Arsenal and Tottenham Play Spectacular Games; Weather Bad

London, Jan. 16.—(Canadian Press Cable)—The fight for league honors promises to be larger and keener than ever this season. Saturday's results leave the situation very open in all three divisions, the goal average being the deciding factor in the leadership of the Northern section of the third division, while it is also settling temporarily the second place in the second division.

Hard weather spoiled the play generally in the first division. Liverpool strengthened their lead by defeating Bradford and were further assisted by the defeat of Burnley. Bolton beat Everton, who are showing poor form lately.

Sunderland Had Hard Luck. Sunderland suffered a bad setback when playing in thick fog and a hail storm, the deciding goal being lost by Sunderland's goalkeeper putting the ball through his own goal.

Arsenal confirmed their superiority over Chelsea, who were outplayed everywhere. In the second half, Arsenal's goalkeeper made a wonderful save of a penalty kick.

Spurs Went Good. Tottenham pulled off a great performance against Preston, inflicting on them their first home defeat of the season. The Spurs played a remarkable game despite the snowy conditions.

Newcastle also scored a well-deserved victory over Manchester Forest disappointed their supporters by their defeat by Burnley, but still retain first place in the league.

BELMONT'S RAN AWAY WITH CHRIST CHURCH

Last Year's Champions Piled Up Big Lead in First Half and Won With Ease

Christ Church Five made a disappointing start in the opening period of their game with Belmont's on Saturday night at the Y. M. C. A. when last season's winners outplayed them 23 points to 7. It was only well on in the second period that the Cathedral boys really showed what they could do. Lewis, Fatt and Ted Hopkins scoring 18 points in the final period. The final score was 35-25.

Belmonts could only secure 12 points in this period but with such a big lead in the early stages of the game, were well ahead when the final whistle blew.

Belmonts are still tied with First Presbyterians at the top of the "A" League, with Crusaders one game behind.

Bob Whyte refereed. Christ Church—Lewis Fatt, Ted Hopkins, W. Bradley, Geo. Allen, Ben McMillen.

Belmonts—J. Brindley, Delmer Batrick, Stan. Moore, Y. Jones, Gus McIntyre.

James Bay and St. Andrews have still to lose their first game in the Senior "B" Sunday School Basketball League, both teams being successful in their games on Saturday night.

The "Bays" had a lively time in their first period when the St. Pauls Five showed their best form of the season leading at times by eight points and it was not until the second period that the "Bays" pulled out in front and finally won by eight points.

Considerable omeak was injected into the St. Andrews-Oakland game neither team giving a good exhibition of basketball. St. Andrews are capable of better results and will have to get busy as they have several hard games ahead. Oaklands are a better team than they were three weeks ago. This being their first season at the game they are doing remarkably well.

"Bill" Hudson refereed the two Senior "B" matches.

The teams: St. Andrews—Ed Cobley, Earl Squire, Bill Erickson, J. Barclay, D. Barclay.

Oaklands—Parkin, Plenderleith, Fuller, Headley, Crowe.

"Bays"—Ryan, Barrie, Hartley, Watson, Melville.

St. Pauls—Wright, Underwood, Watson, Lorenz, Trowsdale.

B.C. Tennis Championships To Be Staged Here July 31; New Programme in P.N.W.

Tennis Legislation Approved by Association in Meeting To-day at Portland Will Revolutionize Game

Portland, Ore., Jan. 16.—Tennis legislation which should tend to revolutionize the outdoor court game in the Pacific Northwest was adopted by the executive committee of the Northwest Lawn Tennis Association to-day in its annual session here.

This committee, composed of Thomas Bailey, of Spokane, president; Harry S. Gray, of Portland, vice-president; Ernest Y. Young, of Vancouver, secretary and treasurer; and Walter A. Goss, sectional delegate of the United States Lawn Tennis Association, not only drew up governing rules for the Northwest Association, but also a schedule of championship tournaments for the Northwest for the 1922 season. The dates adopted follow:

Inland Empire championships—Spokane, week of Jan. 29.

I. Idaho State championships—Site undetermined, week of Feb. 7.

British Columbia championships—Vancouver, week of Feb. 24.

British Columbia championships—Victoria, week of Feb. 31.

Sectional singles at Tacoma, week of Aug. 14.

Junior boys—Tacoma, week of Aug. 21.

Pacific Northwest championships—Tacoma, week of July 31.

British Columbia championships—Vancouver, week of Aug. 14.

Ranking Committee. A ranking committee, composed of A. D. Morris, of Portland, chairman; J. Korshaw, of Tacoma, and E. J. H. Cardinal, of Vancouver, B. C., was named by the executive committee.

The committee appointed what will be known as a "money" committee, which will stand in place of the old "points" system. Two committees have been named to scan all entries to tour the United States and all entries from Canada.

The United States committee will be S. L. Sell, of Seattle; Walter A. Goss, of Portland; and Thomas W. Bailey, of Spokane.

The Canadian committee will be B. Rhoads, of Vancouver; E. Y. Young, of North Vancouver; and H. G. Garrett, of Victoria.

Plan to Defray Expenses. The executive committee came to a decision that hereafter needed to send the north-bound tour to the United States. A list of 300 selections will be made, one to contribute one dollar a week for five weeks.

The money necessary for the tour will be raised by the club staging a north-west sectional championship to authorize Watson M. of Washington, D. C., to be its proxy of 1,775 votes at the annual meeting of the United States Lawn Tennis Association in New York February 4.

Montreal, Jan. 16.—Dealing at length with the tour of the Scottish international football team in his annual report at the annual meeting of the Province of Quebec Football Association here Saturday and the subsequent controversy regarding the financial returns from the tour, the President Mitchell stated that he personally did not believe that half of what had taken place was known and added "it is high time that full information is given."

A letter from Secretary Lavin Roy, of the D. F. A., was read, which conveyed the impression that the Dominion executive was not sane in the action taken by the Quebec Football Association in endeavoring to secure the co-operation of the other provincial associations at a meeting that all books and accounts of the Dominion Association be placed in the hands of a chartered accountant. Mr. Roy referred to his action as an "insurgent" in view of the fact that the accounts of the Dominion Association are in the hands of the Dominion Association.

NEWSPAPERS TO ORGANIZE. Victoria Newspapers Athletic Club will meet to-day at 8 o'clock. The Colonist building, to elect officers for the year and to transact necessary business of importance. The meeting will be in the form of an organization meeting to obtain co-operation between the two papers in sporting features. All players are invited to attend.

NO MORE SKATING ON WEDNESDAYS

Owing to the fact that the Commercial Hockey League has booked the Arena for its games on Wednesday night, Manager Lester Patrick announced this morning that the rink would be closed for skating on all future Wednesdays. This will leave three evenings each week for skating, Tuesdays, Thursdays and Saturdays.

OXFORD-CAMBRIDGE CREW MAY COME TO CANADA THIS YEAR

St. John, N.B., Jan. 16.—A composite crew of Oxford and Cambridge oarsmen may come to Canada to compete in the eight-oared regatta to be held in connection with the Toronto exhibition, next August, according to Dr. D. Bruce Macdonald, director of St. Andrew's College, Toronto.

Dr. Macdonald returned from England on Saturday on the Empress of Britain. He attended a headmaster's conference at Oxford, Dr. Macdonald took up with Oxford aquatic authorities the possibility of them sending representatives to compete in the Toronto regatta. He said he was practically assured of the attendance of a composite crew from the two universities.

SEATTLE ANXIOUS FOR WIN TO-NIGHT

Mets Although Crippled, Will Make Bold Bid Against Vancouver

Vancouver, Jan. 16.—The Mets and Vancouver will clash here this evening, the cellar-holding Seattle septette determined to clamor from the dark depths of the tail-end berth and the Millionaires set to protect their hold upon second place. Vancouver holds a one-point edge over the men of the Millionaires.

The Seattle team will be looking for a victory in the second half of the game, but the Millionaires will be looking for a victory in the first half. The game will be a close one, but the Millionaires will be looking for a victory in the first half.

Odds hardly favor the Mets. Playing their third game in five days, Seattle does not loom very large across the path of the Millionaires. Vancouver have had the advantage of a week's rest, while the Mets will be entering their third strenuous tilt with only three days' rest.

Roy Rickey will be still be decorating the Seattle bench, thus detracting from the strength of the Mets defense. On the other hand, the Millionaires will be in the best of shape, none of the septet being handicapped by injuries.

Mets to Make a Stand. But the veterans wearing the red, white and green jersey of Seattle are prepared to make a stand. Only one game of the last four has yielded a victory for them, the three reverses toppling them from first place to last.

The game this evening will mark the opening of the second half of the season and it behooves those teams with an eye upon the championship to grid up their loins for the dash down the home stretch.

A win is essential to the Seattle cause tonight. A victory will tie the Mets with Victoria for first place, and make a first place battle of the Wednesday match at the Arena. Following the game, the Millionaires will draw a breathing spell of seven days. So Seattle must make hay while the sun shines in order that its rivals do not draw too far away during the Mets lay-off.

WITH THE BOWLERS. The Travelers came out with a big surprise for the Elks on Saturday night, proving too much for the Elks, who had gone through so far without having met defeat. The game was remarkably close, the first frame ending in favor of the Elks by one point. The Travelers made their position safe in the second frame, Henry and bowled high single for the Travelers with a score of 218; D. Kennedy taking the honors for the Elks with 185. The full scores follow:

The Travelers.

ST. PATS PROTEST SENATORS' VICTORY

Ottawa Increased League in N.H.L. by Win With Toronto Penalized

Will Bring Ruling on Important Question; Canadiens Defeated Hamilton

Toronto, Jan. 16.—It was announced by the St. Patrick Hockey Club last night that they had protested Saturday night's game, which was won by Ottawa Senators 5 to 2. The reason for the protest is that the Referee Lesieur had not the power, under the playing rules, to extend the limit of Dye's penalty for the language the local player used to the official. The rules state that if a player is guilty of using bad language, he is to be fined and reported to the league executive and makes no provision for any time penalty.

Dye was originally put off for two minutes for a check, and his penalty was increased to five minutes and then for the rest of the game, and no fine was imposed.

Treasurer Hamby stated that the game is being protested, not for a replay or a change in the standings so much as to get an official ruling on the matter. He stated that if a replay was ordered, local charities would greatly benefit.

Thrilling Struggle. Toronto, Jan. 16.—The world champion Ottawa Senators lengthened their lead in the National Hockey League race at the expense of the Toronto St. Patrick's here Saturday night, winning 5 to 2 in a thrilling hockey struggle which, at the opening of the final period, found the Senators having a 2 to 1 lead, was considerably marred in the closing minutes by a goal by the Toronto players.

The game was a close one, with only Roach, Randall and Stuart on the ice to save off the Senators' attack, were smothered under a whirlwind offensive by the visitors.

Canadiens Come Through. Montreal, Jan. 16.—Playing on their home ice without "Newsy" Laidlaw, the Canadiens decisively defeated the Hamilton Tigers in the Mount Royal arena here Saturday night, 10 to 6. Canadiens' stalwart defence, Sprague Cleghorn and Corbeil, were at times impregnable.

While the speed and dash of Bouchard and Bouchard delighted the 5,000 fans who saw the game.

Tigers did not find their feet until the dying moments of the game, when Roach and Malone and Arbour showed up to advantage. On the whole, the game was not particularly fast, but was clean throughout.

VARSITY PLANS TO HAVE LACROSSE TEAM
Vancouver, Jan. 16.—Lacrosse enthusiasts of the University of British Columbia are sharing the recent awakened interest of Canadian colleges in the national game and an effort is now on foot to organize a Varsity lacrosse club. Recently the board of trustees of the British universities that they could find no inter-collegiate competition except in the United States.

This fact has brought to the attention of a number of Canadian universities, and the result was a newly-awakened interest, which is being felt even in the far Western frontier. McGill and Toronto have taken the lead and many other colleges are following.

The Varsity lacrosseists have called a meeting to be held at the college to-day, at which the situation will be discussed. The chief trouble with the college team is the fact that the men leave town for the Summer months, but plans are on foot to organize a club and see if enough men will be willing to field a team in the Senior Club League.

Dayton, Ohio, Jan. 16.—Danny Frush, Cleveland, and Blockie Richards, Dayton, featherweights, have been matched to box here January 30.

Golfers Will Play for Pacific Northwest Championship at the Colwood Links June 5-10

MUSGRAVE-BABCOCK DECLARED WINNERS

The New Year's golf competition at the Victoria Golf Club proved to be a most interesting competition all through, as most of the games were very close. The final game between A. S. G. Musgrave and J. P. Babcock, with a combined handicap of 33, vs. Harry A. Ross and J. W. Morris, with a combined handicap of 39, was played off yesterday and resulted in a win for Musgrave and Babcock, with a score of 5 up and 3 to play.

REAL SPORT LANDS JOB IN POINCARRE'S CABINET; PUSH WORK

Paris, Jan. 16.—Now for the Olympic games of 1924, said Gaston Vidal, upon assuming office to-day in the new Poincarre Cabinet as under secretary of state for technical education, as his post is now known. Under the Briand Government he was known throughout France as "Minister of Sports."

"A bill granting the city permission to lease to the Olympic committee a plot of ground in the Parc des Princes will be pushed through Parliament early after its reconvening," he said. "The committee then will have no excuse if it does not begin work on the stadium immediately."

SENATORS WANT TO GIVE VETS TUMBLE

Exciting Hockey Match For Leadership of Amateur League at Arena

Interest in to-night's hockey battles centers around the clash between the War Vets and Senators. They will meet in the second game of the double-header.

At present the Vets have an unbeaten record and the Senators are riding one lap behind. If the champions can bring off a win to-night they will create a first place place.

Two Good Thinkers. Alex. Strath thinks his hornets are good enough for a win, but Mike McDonald, who now handles the fortunes of the Vets, thinks different. The fans all have their humble opinions based on their favorite. This game will undoubtedly draw a record house.

The first game of the evening will be the clash of the Garrison and the Elks. Both teams are evenly matched and the Elks are going out after their first win of the season. The Garrison may be able to stop the Elks, but they will have to put a hard game. There should not be many goals difference between the teams.

NEW BALL LEAGUE TO OPEN ON MAY 1

High Salaries Being Paid by Prairie Clubs Will Make Coast Teams Look Up

Vancouver, Jan. 16.—The new Western National Baseball League, which was organized on Wednesday last at Edmonton, and in which this city will have a team, will get under way on May 1 and end its season on Labor Day, is the information brought back from the Alberta capital by Bob Brown, President of the local club, who returned to town on Saturday.

The schedule will call for nine weeks of baseball here and nine on the road. Tacoma and Vancouver will exchange visits three times during the season; but the Coast teams will make two trips to Edmonton and Calgary and one to Saskatoon and Regina. The Alberta teams coming once to the Coast, Saskatchewan and Regina will swap visits twice with the Alberta outfits and will divide the remaining six weeks of the season between themselves.

Mileage Saved. The big consideration that influenced the Prairie teams to go into the new circuit was the saving in mileage as compared with last year in the Western Canada League, this year's reduction in mileage for the four teams totalling 9,923 miles. Tacoma will travel just about the same amount as in the P. I. L., while Vancouver will save 600 miles.

While playing the new organization should prove at least on a par with that exhibited in the Pacific International is evidenced by the fact that the Prairie club's have been operating with salaries much higher than those obtaining in the old Coast circuit, and Tacoma and Vancouver will have to live up to the same basis in order to make any showing.

Arrangements Completed Over Week-end For Holding Biggest Golfing Event in Northwest—Committee Heads Appointed

As a result of consultations during the week-end between officials of the local golf clubs and John H. Dreher, secretary-treasurer of the Pacific Northwest Golf Association, it has been decided to hold the twenty-second annual championship event at the links of the Colwood Golf and Country Club on June 5 to 10 inclusive.

Twenty-two golf clubs comprise the membership of the Pacific Northwest Association, but the championship meet for the district is open to all recognized golf clubs outside the association area. In view of the fact that great interest already is being manifested in this important fixture, and more especially because it is to be held in the capital city of British Columbia, Secretary-Treasurer Dreher anticipates that a record entry will be created.

Handicap Limit "Ten." Local golfers and the citizens of Victoria generally will learn with more than usual interest the details of the club, not forgetting the hundreds of actual entrants as well as large "galleries" of those who follow the royal and ancient as critical spectators. Preliminary details are under process of compilation and will be announced in due course. It is important to observe, however, that the large entry that the particular fixture will bring hundreds of actual entrants as well as large "galleries" of those who follow the royal and ancient as critical spectators. Preliminary details are under process of compilation and will be announced in due course.

It is important to observe, however, that the large entry that the particular fixture will bring hundreds of actual entrants as well as large "galleries" of those who follow the royal and ancient as critical spectators. Preliminary details are under process of compilation and will be announced in due course.

Committee Heads Appointed. The following departmental chairmen of the necessary committees have been selected and in their hands will remain the innumerable details of the event: Tournament Committee—General Chairman, James M. Wood, Vice-Chairman, "Big" Wilson; Ways and Means, Reginald Genn; Greens, J. A. Sayward; Caddy, Arthur E. Hayes; House, Walter S. Terry; Hotels and Transportation, Joshua Kingham; Competition, J. A. Rithet; Ladies' Department, Miss M. Sayward.

The Empire Hotel will be regarded as the Tournament Headquarters.

Getting Course Ready. While those who play at the Colwood links are well aware of the fact it may not be generally known that J. A. Sayward and the energetic committee of the club, not forgetting "Architect" MacLean, are almost giving up sleep at night in order that this popular course shall be at and look its best by the early days of next June. Every variety of golfers' "trouble" is being dug into the fairways and in the opinion of those who have seen golf links in many countries, this magnificent championship course will play second fiddle to none.

In the meantime the golfing fraternity is advised to take a tender and put a large ring round June 5 next.

MANY HORSES ENTER
Cleveland, Ohio, Jan. 16.—The championship stallion stake, No. 15 and matron No. 16, promoted by the American Association of Trotting Horse Breeders, to be raced on Grand Circuit tracks in 1924, drew banner lists of eligible foals, as indicated by returns given out as yesterday. The championship stallion stake, one of the richest events of Grand Circuit racing, drew 33 nominations, including every sire making all of their 1921 get eligible.

Matron stakes drew 576 nominations, nearly 100 more than were returned in 1921. Practically every stock farm in the country is represented.

AUSTRALIAN BANTAM CHAMPION IS BEATEN
Melbourne, Jan. 16.—Semmens, the Australian bantamweight champion, was knocked out yesterday in the second round by an American boxer named Gossman.

P. C. BALL SCHEDULE
San Francisco, Jan. 16.—Directors of the Pacific Coast Baseball League met here to-day to draw up the 1922 schedule and to discuss a return to the draft system. A 28-week schedule probably will be adopted. Last season the schedule ran 26 weeks. It is not thought the draft will be restored.

"FISHERS" AFTER MAYOR
Gloucester, Mass., Jan. 16.—Mayor Percy W. Wheeler, whose recent inaugural address included criticism of the American International Race Committee's conduct in Canada with the fishermen's race last Fall, was the target of a mob, skippered by President W. W. Walter and William Brown for the second time this season, successfully defended the Quebec Curling Club challenge cup here Saturday afternoon.

MONTREAL RINKS WIN OVER OTTAWA CLUBS
Montreal, Jan. 16.—Defeating the two invading rinks from the Rideau Curling Club of Ottawa, by 40 to 81, the representative rinks of the Montreal Curling Club, skippered by President W. W. Walter and William Brown for the second time this season, successfully defended the Quebec Curling Club challenge cup here Saturday afternoon.

Winnipeg Will See Finish of 218-Mile Race From Dauphin Next Month
Winnipeg, Man., Jan. 16.—Many entries have been received and plans completed for the Manitoba dog marathon which is to be run from Dauphin, Man., to this city, via Port Arthur, a distance of 218 miles, in connection with the Winnipeg Winter Carnival, February 6 to 11. One thousand dollars has been offered in prizes, divided into \$500 for the winner, \$300 for second place and \$200 for third. The race will start on the first day of the carnival and conclude here Thursday, February 9. Eight shelters and checkers will be provided in the towns along the course.

In order not to bar a number of contestants, the Alaskan hitch has been prohibited because it means large teams. The Siwash hitch—with the dogs driven one in front of the other—will be permitted, and teams are limited to not less than four and not more than six dogs. Among the entries already received are some from Gladstone, Dauphin, The Pas, Norway House, Gimli, Riverton and Winnipeg, while numerous enquiries concerning the race have also been made by prospective contestants.

CANADIAN CURLERS PLAYING AT DULUTH
Duluth, Minn., Jan. 16.—Twenty-four rinks will leave stoves to-day in the opening draw of the Northwestern Curling Association's bonspiel, the ice is in excellent shape for the initial events. Forty rinks, including eight from Canada, have entered to date. It last year's spel eighty rinks participated. The tourney will end Saturday.

METS GET A DRAW BUT WESTS LOSE

Nanaimo Held Even by Mets Saturday; Ladysmith Trimmed Wests

Week-end soccer results were as follows:
Island League.
Metropolis, 1; Nanaimo, 1.
Ladysmith, 4; Victoria West, 1.

Combination League.
Thistles, 1; Garrison, 0.
S. O. E., 1; Metropolis, 0.
Sons of Canada, 1; Wilson's United, 0.

Victoria's representatives in the Island League did not show the going altogether to their liking over the week-end. The Mets who entertained Nanaimo at the Royal Athletic Park managed by steady hard play to get away with 1-1 draw, but the Wests who journeyed to Ladysmith, suffered defeat. Jack Youson, manager of the Wests, said this morning that the score did not represent the play. He admits that Ladysmith were entitled to win, but that a 2-1 score would have been a fairer indication of the play.

The Mets and Nanaimo had a very interesting game at the Royal Park and the fans saw some good football. The miners showed some flashes of skill, but they could not beat down the rushing, plugging game of the Mets.

The local team looked far better than it has done for some time during the past. The club has put together and had a certain amount of system to its play.

Mets Scored First. Neither side was able to score in the first half, although both goalies were given considerable to do. In the second half the Mets worked their rushing tactics to advantage and broke through for a score. The fans were nettled by this turn of events and forced the play for some time, but the Mets' defence was sound. However, after two corners had been forced, a free kick was given the miners on the penalty line and they rushed through the equalizing goal

DISRESPECT.

To the Editor.—While attending a funeral at Ross Bay a few days back the grave being within thirty feet of the street car line and just during the most solemn portion of the burial service a street car traveling with terrific noise passed drowning every word the minister was uttering. Surely the car could wait two minutes or the driver have common sense and feeling for those during such distressing moments. I have lived in New Zealand where such an act would have resulted in a prison sentence. In the street there while a funeral procession is passing every car or vehicle stops; the people on the sidewalks stand round and show marks of respect for the dead and mourners. That country loses nothing by such acts of common decency. Its cost is not counted in dollars and cents.

OLD FASHIONED.

GETS NO BONUS.
To the Editor.—I have been very much annoyed over a statement made in an application for a bonus sent to Premier John Oliver, by a Mr. Lou-bister, and which has appeared in the press, to the effect that "Mrs. Smith had triplets ten years ago and is still getting a bonus." The man used my name without my authority. He was informed, most emphatically at the time of his babies' birth, through a Patriotic Aid nurse, who was sent to me for information, that neither I nor my triplet daughters had ever received anything from the Government, or anybody, provincial or local, in the shape of bonus bounty gratuity or contribution. His statement is an insinuation that I did not tell the truth. I most strongly resent it, and would ask you as a very great favor to publish this letter.

AGNES J. SMITH,
628 Hillside Ave., City, Jan. 14, 1922.

IN AID OF SUFFERERS.

To the Editor:—I beg to leave through your valued column to bring the following matter to the attention of the public.
The concert suggested to the members of the Arion Club that the concert given recently in the Empress Hotel ballroom should be repeated for the purpose of raising funds in relief of the need prevailing in the city. Acting upon this suggestion it was decided at a meeting held Monday evening, January 9, to offer the services of the Club for such purpose, the concert to be held under the auspices of any one of the city's relief organizations which will guarantee and undertake the sale of 1,000 tickets and the full proceeds to be administered by it. Mrs. Gertrude Huntley Green, with customary generosity, has expressed her willingness to assist as also has Mrs. C. W. Owen, the Rev. William C. Mahoney and Miss Wark, women's police officer.

Mr. Stevenson told the Attorney-General that those who are familiar with its operations have found one or two weaknesses in the Mothers' Pensions Act. He said that in cases where the Board cuts off a mother's pension because she has not been making proper use of it in the way of providing for her children, the proper care, it has been found that no provision is made for the children.

The object of the Act was to provide assistance for mothers with dependent children, that the mothers could care for the children in stead of letting them run the streets or hiring them out for a day or two every week. Mr. Stevenson went on to say that the object of the Act is to provide for the children, and that when the pension is cut off, and the children are left stranded, at present there is no way of dealing with children after they are thrown out in this way by the Board.

Mr. Stevenson suggested that this part of the Board's operations should be linked up with the superintendent of neglected children.

Members of the delegation also proposed that before a mother's pension is cut off the minister or priest who is in charge of the pensioner when her application was made be notified in order to give him a chance to see whether he can remedy conditions in the home.

Mr. Furtis said that he would personally bring the proposals before Chairman Winn and members of the new Board.

OBITUARY RECORD

The death occurred this morning at the Royal Jubilee Hospital of Gladys Louise Moore, daughter of Mrs. and the late Lieut.-Col. J. Noble Crane, and beloved wife of Mr. William M. C. Moore, of 435 Earsman Street, age 38 years. She was born in Halifax, N. S., and had been in the city since 1915, for the past six months. She is survived by her husband, two daughters and her mother. The funeral will take place on Wednesday, at 2 o'clock, from the Sands Funeral Chapel, Rev. S. Cook will officiate. Interment will be made at Ross Bay Cemetery.

At "Resthaven," Sidney, yesterday the death occurred of Mrs. Isabella Cowie, wife of A. Cowie, of Nanaimo, and had been a resident of Victoria for the past ten years. The remains were forwarded by the B. C. Funeral Chapel this afternoon to Nanaimo for interment.

Henry Rutland, a resident of this city since 1895, died this morning at the family residence, 1770 Fort Street. He was a native of Macleodfield, England. For many years he was employed with Shears & Page, former dry-goods merchants here, later entering into business for himself. He retired from active business life six years ago. The late Mr. Rutland is survived by his widow here and one sister in England. His funeral will be given of the funeral arrangements.

Alexander Wilson died yesterday at his home, 1315 McNair Street, at the age of 53 years. He was born in Scotland and had been a resident of Victoria for the past ten years, leaving one daughter, Mrs. Victor Lumley in Victoria, and one son, David, in Australia. The funeral will be held from the B. C. Funeral Chapel on Wednesday, at 2 o'clock. Interment will be made at Ross Bay Cemetery.

NUMEROUS CHANGES AFTER WEEK-END

Cod Fish in Close Season; Many Changes in Fruit Section

The closed season for cod fish commenced yesterday, and will continue until March 15, it was reported by local fish dealers to-day. No changes were registered in the fish section. Only one alteration was noted in meat prices, and that was an advancement of three cents on air-dried steak.

The vegetable and fruit section at the retail houses provided a number of variations to-day. Jap oranges are clearing out at 65 cents, introducing a drop of ten cents on this fruit, while a ten-cent advance was the change marked on California Red Emperors. Lemons are selling at one quotation. Brazil nuts broke at their quotation and took to the high ranks, illustrating an advance of five cents over the old price.

TO-DAY'S TRADING IN WINNIPEG MARKETS

Winnipeg, Jan. 16.—The wheat market here to-day was exceptionally quiet with prices working within a very narrow range and trade volume one of the smallest of the season. The undertones were firm, the local market showing more strength, and was somewhat stronger than the United States markets. A gain of half cent in futures was recorded at the close.

There was a very fair demand for cash wheat and Ontario millers were buyers of Nos. 1 and 2 Northern grades. The offerings continued light and premiums advanced ¼ to ½.

The cash market was extremely narrow and quality and sales were almost nil. There was a better inquiry for cash oats from export interest, with offerings and spreads unchanged to 1 cent better. Other coarse grains were dull and featureless.

Inspections totalled 454 cars, of which 247 were wheat.

"We have enough originality in Victoria to make it a city of importance," Mr. Mayhew went on, "and while I would not altogether favor following exactly along the lines adopted by Los Angeles, I think the more thoroughly advertised to bring people here. Instead of spending huge sums on such improvements as docks I think we should spend more on the work of bringing people here. After we have got the population the improvements will follow."

ACCLAMATION FOR MANSON EXPECTED
Pattullo Returns From Northern Tour
Perry Now Glad to Support Liberals

The Hon. T. D. Pattullo, Minister of Lands, returned to the Parliament Buildings to-day from his two weeks' trip through Northern British Columbia.

"The north country is looking well," said Mr. Pattullo. "The people are not worried there as to the future. Most people are busy. There is comparatively little unemployment in Prince Rupert."

At Prince Rupert Mr. Pattullo interviewed the Hon. A. M. Manson, speaker of the Legislature, who according to reports is to be the next Attorney-General of British Columbia.

In reply to questions to-day Mr. Pattullo said that he could not say anything just now as to Mr. Manson's attitude towards the offer of the office. He, however, declared that opinion in the north seems to be that Mr. Manson will be elected by acclamation in Omineca, as he is politically very strong.

Spoke to Rotary Club.
Mr. Pattullo addressed the Rotary Club at Prince Rupert and dealt with plans for bringing immigration to Northern British Columbia.

The Dominion Government is now completing the big new salmon dock at Prince Rupert, Mr. Pattullo said, and the Provincial Government has work well advanced on the new court house.

Mr. Pattullo went as far East along the Grand Trunk Pacific as Prince George. At Terrace he addressed two special meetings.

At Prince George he interviewed H. G. Perry, Liberal member for Fort George. He found that Mr. Perry would be very glad now to support the Liberal party, and that he would be back in the Liberal caucus.

Awaiting Plant.
The people of Prince George, Mr. Pattullo said, are awaiting the start of the big pulp and paper mill there. In this connection Mr. Pattullo will go East to interview the financial interests concerned next month. It is understood that at the same time he will take up departmental business at Ottawa. From there he may go to Europe in connection with his immigration proposals, which, according to reports, are likely to come up before the British House of Commons at its next session. While in Europe Mr. Pattullo will continue the work he started last year of finding new markets for British Columbia lumber.

GOOD ROADS WHEN ARRIVE
Seek Appropriation Towards Cost of Convention

S. L. Squire, chairman of the Executive Committee of the Canadian Good Roads Association, who arrived in the city yesterday from Toronto to prepare for the next convention, is now registered at the Empress Hotel. Mr. Squire on his arrival met a number of citizens informally to discuss details of the proposed meeting. To-day, in company with J. Findlay, of Toronto, also a Good Roads Association enthusiast, and A. E. Foreman, of Vancouver, former chief engineer of the Department of Public Works, he met the Government. He was introduced by Hon. J. H. King, Minister of Public Works.

The visitors intimated that 250 persons might be expected on the coast at next year's convention from Eastern Canada, 300 from the Middle West and 300 from British Columbia. They also intimated that an appropriation of \$4,000 towards the cost of the gathering.

Consideration was promised the request.

Messrs. Squire and Findlay later attended the luncheon of the Chamber of Commerce directors.

RUNAWAY CAUGHT AND CHARGED AS SUNDAY BURGLAR

Charged with breaking and entering the shoe store of the R. J. Gurney Co., at 1419 Douglas Street, in the early hours of Sunday morning, Henry Seaton appeared in the City Police Court this morning, and was remanded upon \$1,000 bail until Wednesday, two sureties, of \$500 each being accepted by Magistrate Jay.

According to the police Department, Constable Jarvis heard sounds from within the store while making his rounds, and going to the rear of the store saw the accused, who ran at speed up Johnson Street and was caught with difficulty.

James Paine pleaded not guilty to a charge of being drunk, and was released.

A REDUCTION OF \$1,000

Has been made on the price of this BEAUTIFUL SUBURBAN HOME.

AS A QUICK SALE of this lovely home is necessary, we have been instructed to reduce the price almost 15 per cent, which makes it a snap for anyone looking for this class of property. There is a FULLY MODERN CALIFORNIA BUNGALOW and

THREE QUARTER-ACRE LOTS situated within 2½ miles of the city and convenient to a good bus service. The property stands high and commands a magnificent view, including the Gorge waters.
